pursuant to Rule 25-22.029, Florida Administrative Code.

National Business Telephone Services, Inc. (National Business)

FPSC-RECORDS/REPORTING

Under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual regulatory assessment fee of \$50 if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. All entities that apply for certification receive a copy of our rules governing interexchange telecommunications service and an affidavit in which the applicants attest that the rules have been received and understood by the applicant. This affidavit must be attached to the application in order for the application to be processed.

Pursuant to Section 350.113(4), Florida Statutes, the regulatory assessment fee forms, for the period of January 1, through December 31, are mailed to the entities at least 45 days prior to the date that payment of the fee is due. National Business has been given adequate opportunity to pay. To date, National Business has not paid the required fees.

For the reason described above, pursuant to Rule 25-24.474(1)(b) and (c), Florida Administrative Code, we find it appropriate to cancel National Business's certificate, effective December 31, 1998, for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, unless National Business pays a \$500 fine and remits all past due regulatory assessment fees, along with statutory penalties and interest charges, to the Florida Public Service Commission. National Business must comply with these requirements within five business days from the date this Order becomes final. The fine will be remitted to the Comptroller for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.516, Florida Statutes.

When the appropriate fees, statutory penalties, interest charges, and fine are received, this Docket shall be closed. Should National Business fail to comply with this Order within five business days from the date this Order becomes final, National Business shall have its certificate canceled, effective December 31, 1998, and the Docket shall be closed. The cancellation of the certificate and the closing of the Docket in no way diminishes National Business' obligation to pay applicable delinquent regulatory assessment fees, statutory penalties, and interest charges.
