ORDER APPROVING SETTLEMENT

BY THE COMMISSION:

MET Communications, Inc. (MET) currently holds Certificate of Public Convenience and Necessity No. 5186, issued by the Commission on July 25, 1997, authorizing the provision of alternative local exchange telecommunications service. The Division of Administration advised our staff by memorandum that MET had not paid the 1997 regulatory assessment fees (RAFs), nor statutory penalties and interest charges for late RAFs payments for the year 1997. RAFs are required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code.

Under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual RAF of \$50 if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. All entities that apply for certification receive a copy of our rules governing alternative local exchange

telecommunications service and an affidavit in which the applicants attest that the rules have been received and understood by the applicant. This affidavit must be attached to the application in order for the application to be processed. The RAF form was sent by certified mailed to MET for the period of January 1, 1997, through December 31, 1997, and the signed receipt was returned to us indicating that delivery was accomplished.

After this docket was opened, our staff received a call from Mr. Jorge Gutierrez, who stated that the company would pay all the past due charges and that it would propose a settlement offer. MET paid all the past due statutory penalties and interest charges, and submitted a settlement offer. MET agreed to pay future regulatory assessment fees in a timely manner and contribute \$100 to the State General Revenue Fund.

We believe that the terms of the settlement agreement represent a fair and reasonable resolution of this matter. Accordingly, we hereby accept the settlement offer. MET must comply with these requirements within five business days from the date this Order becomes final. The contribution will be forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. Upon remittance of the \$100 contribution, this docket shall be closed.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that MET Communications, Inc.'s settlement proposal summarized in the body of this Order is hereby approved. It is further

ORDERED that MET Communications, Inc. shall comply with the provisions of its approved settlement proposal within five (5) business days from the date that this Order becomes final.

ORDERED that this docket shall remain open pending receipt of the \$100 contribution. The contribution shall be transmitted to the Comptroller for deposit in the State of Florida General Revenue Fund. It is further

ORDERED that upon receipt of the \$100 contribution, this docket shall be closed.
