substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Section 364.33, Florida Statutes, provides that a person may not acquire ownership or control of any telecommunications facility, or any extension thereof for the purpose of providing telecommunications services to the public, including the acquisition, transfer, or assignment of majority organizational control or controlling stock ownership, without prior approval from this Commission.

By letter dated April 27, 1999, Technology Acquisitions, Ltd. (Technology Acquisitions) and Gemini II, Inc. (Gemini II) filed with this Commission an application for approval of purchase by Technology Acquisitions of approximately 67% of outstanding common stock of A.R.C. Networks, Inc. (A.R.C.) And acquisition of Gemini II, subsidiary of A.R.C., by merger. A.R.C. is the holder of Interexchange Telecommunications Certificate No. 4702 and Alternative Local Exchange Telecommunications Certificate No. 4740. A.R.C. has stated that the transaction will be virtually transparent to its customers in Florida and it will not affect the services being provided. A.R.C. has stated that it will continue to operate under its existing certificated name and tariff on file with this Commission.

In accordance with our authority under Section 364.33, Florida Statutes, to approve the acquisition or transfer of majority organizational control or controlling stock ownership of a telecommunications company providing service in Florida, we have reviewed the Petition of Technology Acquisitions and Gemini II, and find it appropriate to approve it. We have based our review and decision upon an analysis of the public's interest in efficient, reliable telecommunications service. Our decision does not address the potential impact of the transfer on the competitive market in Florida, or on the companies' or their competitors' interests. We emphasize, however, that our approval of the Petition pursuant to our authority under Section 364.33, Florida Statutes, does not preclude us from addressing any of our concerns that may arise regarding this transaction to the appropriate federal or state agencies.
