In re: Investigation into
pricing of unbundled network
elements.

DOCKET NO. 990649-TP
ORDER NO. PSC-99-1544-PCO-TP
ISSUED: August 5, 1999

ORDER GRANTING INTERVENTION

By Petition, the Florida Cable Telecommunications Association, Inc. (FCTA or the association), has requested permission to intervene in this docket, which was established to investigate the pricing of unbundled network elements. FCTA is a trade association representing the cable telecommunications industry in Florida. According to FCTA, it has "actively sought to promote telecommunications competition as a party of record in PSC proceedings for many years." Further, FCTA states that its "intervention will advance judicial efficiency by consolidating the participation of the multiple certificated telecommunications companies it represents."

There has been no response filed in opposition to this request.

Having reviewed the Petition, it appears that the association's substantial interests may be affected by this proceeding. Therefore, the Petition should be granted. Pursuant to Rule 25.039, Florida Administrative Code, however, the association takes the case as it finds it.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the Petition for Leave to Intervene filed by Florida Cable Telecommunications Association, Inc., be and the same is hereby granted. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings and other documents which may hereinafter be filed in this proceeding, to:
