

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Consideration of
BellSouth Telecommunications,
Inc.'s entry into interLATA
services pursuant to Section 271
of the Federal
Telecommunications Act of 1996.

DOCKET NO. 960786-TL
ORDER NO. PSC-99-2187-PCO-TL
ISSUED: November 8, 1999

ORDER GRANTING INTERVENTION

By Petition, MGC Communications, Inc. (MGC) has requested permission to intervene in this proceeding. MGC states that it is a Florida-certificated alternative local exchange company (ALEC) providing local exchange service to small business and residential customers in Florida. MGC states that it owns its own switch, collocates in central offices, and leases loops and transport from BellSouth. MGC further explains that it has built its own operational support system (OSS) interface and has been working with BellSouth to obtain a functional OSS connection for many months. Thus, MGC asserts that its substantial interests will be affected by the outcome in this Docket.

Having reviewed the Petition, MGC has demonstrated that as a Florida-certificated ALEC providing service in the state and doing business with BellSouth, MGC's substantial interests will likely be affected by the outcome of this proceeding. Therefore, the Petition shall be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, MGC takes the case as it finds it.

Therefore, it is

ORDERED by the Florida Public Service Commission that the Petition for Leave to Intervene filed by MGC Communications, Inc., be and the same is hereby granted. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings and other documents
