NOTICE OF PROPOSED AGENCY ACTION
ORDER GRANTING CERTIFICATES TO
PROVIDE ALTERNATIVE LOCAL EXCHANGE
TELECOMMUNICATIONS SERVICES

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service
Commission that the action discussed herein is preliminary in
nature and will become final unless a person whose interests are
substantially affected files a petition for a formal proceeding,
pursuant to Rule 25-22.029, Florida Administrative Code.

The entities listed below have applied for certificates to
provide Alternative Local Exchange Telecommunications (ALEC)
service, pursuant to Section 364.337, Florida Statutes. Upon
review of their applications, it appears that these entities have

sufficient technical, financial, and managerial capability to provide such service. Accordingly, we hereby grant to each of these entities the certificates depicted below, which shall authorize them individually to provide ALEC services statewide, except that the ALEC may not offer basic local telecommunications service within the territories of earnings-regulated small local exchange companies, as set forth in Section 364.337(1), Florida Statutes.

<u>ENTITY'S NAME</u>	<u>CERTIFICATE NO.</u>
King Communications & Services, Inc.	7193
Wireless Access Network, Inc.	7215

New Edge Network, Inc. d/b/a New Edge Networks	7281
Trans National Telecommunications, Inc.	7285
Source One Communications, Inc.	7288

If this Order becomes final and effective, it shall serve as each entity's certificate. It should, therefore, be retained by each entity as proof of certification.

In addition, Section 364.337(2), Florida Statutes, requires ALECs which provide basic local telecommunications service to provide access to 911 services. This Commission has no rules specifying the 911 services that either an incumbent local exchange company (ILEC) or an ALEC must provide; however, 911 service that is inferior to that provided by the ILEC would clearly not be in the public interest. Accordingly, we find that Section 364.337(2), Florida Statutes, requires ALECs which provide basic local telecommunications services to provide at least the same level of 911 services as that provided by the ILEC serving the same area.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that we hereby grant, to the entities listed herein, certificates to provide Alternative Local Exchange Telecommunications service,

subject to the terms and conditions set forth in the body of this Order. It is further

ORDERED that this Order shall serve as each entity's certificate and should be retained as proof of certification. It is further

ORDERED that each Alternative Local Exchange Telecommunications company which provides basic local telecommunications services shall provide at least the same level of 911 services as that provided by the incumbent local exchange company serving the same area. It is further

ORDERED that any protest to the action proposed herein shall specify the entity or entities to which it applies. It is further

ORDERED that, if a protest is filed as to the certification of any particular entity or entities, that protest shall not prevent the action proposed herein from becoming final with regard to the remaining entities listed in this Order. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings or Judicial Review" attached hereto. It is further

ORDERED that in the event this Order becomes final, these Dockets shall be closed.
