The existing agreement governs the relationship between the companies regarding the resale of tariffed telecommunication services pursuant to 47 U.S.C. § 251. Upon review of the proposed amendment to the existing agreement, we believe that it complies with the Act; thus, we hereby approve it. BellSouth and Global Interactive Communications are also required to file any subsequent supplements or modifications to their agreement with the Commission for review under the provisions of 47 U.S.C. § 252(e). We note that Global Interactive Communications does not currently hold a Florida certificate to provide alternative local exchange telecommunications service, and therefore, it cannot provide alternative local exchange telecommunications services under this agreement until it obtains a certificate from this Commission.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the amendment to the existing resale agreement between BellSouth Telecommunications, Inc. and Global Interactive Communications Corporation, is incorporated by reference in this Order, and is hereby approved. A copy of the amendment to the existing agreement may be obtained as specified in the body of this Order. It is further

ORDERED that any supplements or modifications to this agreement must be filed with the Commission for review under the provisions of 47 U.S.C. § 252(e). It is further
