ORDER SUSPENDING TARIFFS

BY THE COMMISSION:

Pursuant to Rule 25-17.0021, Florida Administrative Code, on December 29, 1999, Florida Power & Light Company (FPL) filed its Petition for Approval of a Demand-Side Management Plan designed to meet the conservation goals established by the Commission in Order No. PSC-99-1942-FOF-EG, issued October 1, 1999, in Docket No. 971004-EG. Due to the extensive nature of the filing, we find that it is appropriate to suspend the proposed tariff revisions in order to allow staff the opportunity to request more supporting data and to further evaluate the petition.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Florida Power & Light Company's proposed modifications to its tariff for its demand-side management plan shall be suspended. It is further

ORDERED that this docket shall remain open pending a final decision on Florida Power & Light Company's proposed demand-side management plan.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
