NOTICE OF PROPOSED AGENCY ACTION
ORDER APPROVING EXEMPTION FROM REQUIREMENT THAT EACH TELEPHONE
STATION SHALL ALLOW INCOMING CALLS

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service
Commission that the action discussed herein is preliminary in
nature and will become final unless a person whose interests are
substantially affected files a petition for a formal proceeding,
pursuant to Rule 25-22.029, Florida Administrative Code.

Under Rule 25-24.515(8), Florida Administrative Code, pay
telephones must allow incoming calls to be received unless they are
located at a confinement facility, hospital, school, or another
location specifically exempted by this Commission. Requests for an
exemption from this requirement must be accompanied by an
attestation by the owner of the pay telephone, the location
provider, and the chief of the responsible law enforcement agency
that the request is made to deter criminal activity at that pay
telephone.

Sprint Payphone Services, Inc. has filed a Request for
Exemption from the requirement that each telephone station shall
allow incoming calls for the pay telephone listed below. The
request includes an attestation by Sprint Payphone Services, Inc.,

the location provider, and the chief of police that the request is made in order to deter criminal activity facilitated by incoming calls being received at the pay telephone.

The Request for Exemption was filed on December 22, 1999. The Notice of Request for Exemption was submitted to the Secretary of State for publication in the Florida Administrative Weekly pursuant to Section 120.542, Florida Statutes. No comments were submitted during the comment period, which ended February 11, 2000.

Upon consideration, it appears appropriate to grant the request of Sprint Payphone Services, Inc. Sprint Payphone Services, Inc. has demonstrated that these waivers are in the public interest under Sections 364.01 and 364.3375, Florida Statutes, in an effort to prevent criminal activity. Further, Sprint Payphone Services, Inc. has demonstrated that the enforcement of the incoming call requirement would result in substantial hardship for Sprint Payphone Services, Inc. as the requirement would allow the payphone to be used for continuing criminal activity. Pursuant to Rule 25-24.515(8), Florida Administrative Code, Sprint Payphone Services, Inc. must provide central office based intercept at no charge to the end user and must display a notice on the affected pay telephone stating, "Incoming calls blocked at the request of law enforcement."

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the request of Sprint Payphone Services, Inc. to block incoming calls at the pay telephone listed in the body of this Order is hereby approved. It is further

ORDERED that Sprint Payphone Services, Inc. shall provide central office based intercept at no charge to the end user at the pay telephone where incoming calls cannot be received. It is further
