In re: Investigation into the establishment of operations support systems permanent performance measures for incumbent local exchange telecommunications companies.

DOCKET NO. 000121-TP
ORDER NO. PSC-00-0465-PCO-TP
ISSUED: March 3, 2000

ORDER GRANTING INTERVENTION

By Petition, AT&T Communications of the Southern States, Inc. (AT&T) has requested permission to intervene in this proceeding. AT&T states that it is an alternate local exchange telecommunications company (ALEC) in Florida. As an ALEC, AT&T states that it must utilize the operations support systems of incumbent local exchange companies (ILEC) in order to provide local exchange service. Accordingly, AT&T states that its substantial interests will be affected by the outcome in this proceeding regarding establishment of permanent performance measures for ILECs.

Having reviewed the Petition, it appears that AT&T's substantial interests may be affected by this proceeding. This proceeding is designed to address operations support systems permanent performance measures for ILECs. As an ALEC operating in Florida, AT&T states that it must utilize the operations support systems of ILECs to provide local exchange service. Thus, AT&T has sufficiently demonstrated that its substantial interests may be affected by the outcome of this proceeding. Pursuant to Rule 25-22.039, Florida Administrative Code, AT&T takes the case as it finds it.

Therefore, it is

ORDERED by the Florida Public Service Commission that the Petition to Intervene filed by AT&T Communications of the Southern States, Inc. is hereby granted. It is Further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings and other documents which may hereinafter be filed in this proceeding, to:
