FPSC-RECORDS/REPORTING

The entities listed below currently hold Certificate of Public Convenience and Necessity authorizing the provision of Pay Telephone service. These entities have not paid the Regulatory Assessment Fees (RAFs) required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, nor the accrued statutory penalties and interest charges for the late RAFs payments.

Pursuant to Section 364.336, Florida Statutes, certificate holders must pay a minimum annual RAF of \$50 if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-4.0161 (2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. All entities that apply for certification receive a copy of our rules governing Pay Telephone service. All applicants must attest that these rules have been received and understood by the applicant and an affidavit must be attached to the application in order for the application to be processed.

Pursuant to Section 350.113(4), Florida Statutes, the RAFs forms for the period of January 1 through December 31, are mailed to entities at least 45 days prior to the date that payment of the fees is due. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. However, pursuant to Section 350.113(4), Florida Statutes, the Commission shall provide at least a 45 days notice of the date the payment is due prior to the due date. These entities were scheduled to remit its RAFs by January 30, 2000.

<u>ENTITY'S NAME</u>	<u>CERTIFICATE NO.</u>	<u>PAST DUE RAFS</u>	<u>PAST DUE PENALTIES AND INTEREST</u>
Glenn L. Williams d/b/a Public Payphone Company	4145	1999 2000	1998 1999
Dana Roberts d/b/a New World Telecommunications	4557	1999 2000	1999

These entities have not complied with Rule 25-24.514(2), Florida Administrative Code, which states:

(2) If a certificated company desires to cancel its certificate, it shall request cancellation from the Commission in writing and shall provide the following with its request:

(a) Statement of intent and date to pay Regulatory Assessment Fee.

(b) Statement of why the certificate is proposed to be cancelled.

(b) Statement of why the certificate is proposed to be cancelled.

(c) Proof of individual customer notice regarding discontinuance of service.

Accordingly, since these entities' certificate remain active until it requests a voluntary cancellation pursuant to Rule 25-24.514(2), Florida Administrative Code, or we involuntarily cancel the certificates, these entities are responsible for the RAFs. As of the date of this vote, these entities continue to be in violation of our rules for non-payment of RAFs.

For the reasons described above, pursuant to Rule 25-24.514(1)(b) and (c), Florida Administrative Code, we deny these entities' request for voluntary cancellation of their Pay Telephone Certificate, for failure to comply with the provisions of 25-24.514(2), Florida Administrative Code. However, we find it appropriate to involuntarily cancel these entities' certificate, effective upon issuance of the Consummating Order, for failure to pay RAFs pursuant to Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code. Since these entities are no longer in business, there would be no purpose in requiring these entities to pay a fine. By involuntarily canceling these entities' certificate, however, we would be able to track this company should it apply for another certificate with us in the future. The cancellation of the certificate and the closing of the Docket in no way diminishes these entities' obligation to pay applicable delinquent RAFs, statutory penalties, and interest charges.

Based on the foregoing, it is
