

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Investigation into appropriate methods to compensate carriers for exchange of traffic subject to Section 251 of the Telecommunications Act of 1996.

DOCKET NO. 000075-TP
ORDER NO. PSC-00-1406-PCO-TP
ISSUED: August 1, 2000

ORDER GRANTING INTERVENTION

By Petition, Supra Telecom (Supra) has requested permission to intervene in this proceeding. Supra states that it is certificated as an alternative local exchange company. Supra states it is currently providing resold local residential and business services in Florida. Supra asserts that it is subject to the rules, regulations, and orders of this Commission, and that such rules, regulations, and orders impact it in its provision of telecommunications services in Florida and its ability to compete. Supra asserts that its interests may or will be substantially and directly affected by this Commission's decision in this docket as it will likely have precedential impact on future decisions of the Commission and in turn, on it. Supra concludes that its interests may or will be substantially affected by any decision regarding compensation methods for the exchange of traffic.

Having reviewed the Petition, it appears that Supra's substantial interests may be affected by this proceeding because it operates as an alternative local exchange company in Florida and the issues to be decided may or will affect the methods of compensation of exchange of traffic, thus affecting Supra. Therefore, the Petition shall be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, Supra takes the case as it finds it.

Based upon the foregoing, it is

ORDERED by the Florida Public Service Commission that the Petition for Leave to Intervene filed by Supra Telecom is hereby granted. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleading and other documents which may hereinafter be filed in this proceeding, to:
