ISSUED: September 18, 2000

NOTICE OF PROPOSED AGENCY ACTION
ORDER APPROVING EXEMPTION FROM REQUIREMENT THAT
EACH TELEPHONE STATION SHALL ALLOW INCOMING CALLS

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service
Commission that the action discussed herein is preliminary in
nature and will become final unless a person whose interests are
substantially affected files a petition for a formal proceeding,
pursuant to Rule 25-22.029, Florida Administrative Code.

Under Rule 25-24.515(13), Florida Administrative Code, pay
telephones must allow incoming calls to be received unless they are
located at a confinement facility, hospital, school, or another
location specifically exempted by this Commission. Requests for an
exemption from this requirement must be accompanied by an
attestation by the owner of the pay telephone, the location
provider, and the chief of the responsible law enforcement agency
that the request is made to deter criminal activity at that pay
telephone.

Sprint Payphone Services, Inc. (Sprint Payphone) has filed a
Request for Exemption from the requirement that each telephone
station shall allow incoming calls from each of the pay telephones
listed below. The request includes an attestation by Sprint
Payphone, the location provider, and the chief of police that the

request is made in order to deter criminal activity facilitated by incoming calls being received at the pay telephones.

The Request for Exemption was filed on June 20, 2000. The Notice of Request for Exemption was submitted to the Secretary of State for publication in the Florida Administrative Weekly pursuant to Section 120.542, Florida Statutes. No comments were submitted during the comment period, which ended July 28, 2000.

Upon consideration, it appears appropriate to grant Sprint Payphone's request. Sprint Payphone has demonstrated that these waivers are in the public interest under Sections 364.01 and 364.3375, Florida Statutes, in an effort to prevent criminal activity. Further, Sprint Payphone has demonstrated that the enforcement of the incoming call requirement would result in substantial hardship for Sprint Payphone as the requirement would allow the payphones to be used for continuing criminal activity. Pursuant to Rule 25-24.515(13), Florida Administrative Code, Sprint must provide central office based intercept at no charge to the end user and must display a notice on each affected pay telephone stating, "Incoming calls blocked at the request of law enforcement." Pursuant to Rule 25-24.515(13), Florida Administrative Code, the exemption from the requirement to receive incoming calls shall not exceed a period of two years from the effective date of this Order. The provider may request another exemption by filing another request.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Sprint Payphone's request to block incoming calls at the pay telephones listed in the body of this Order is hereby approved for a period of two years from the issuance date of the Consummating Order. It is further

ORDERED that Sprint Payphone Services, Inc. shall provide central office based intercept at no charge to the end user at the pay telephones where incoming calls cannot be received. It is further
