NOTICE OF PROPOSED AGENCY ACTION
ORDER GRANTING CERTIFICATE TO PROVIDE
ALTERNATIVE LOCAL EXCHANGE TELECOMMUNICATIONS SERVICES

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service
Commission that the action discussed herein is preliminary in
nature and will become final unless a person whose interests are
substantially affected files a petition for a formal proceeding,
pursuant to Rule 25-22.029, Florida Administrative Code.

XSPEDIA Corp. (XSPEDIA) has applied for a certificate to
provide alternative local exchange telecommunications service,
pursuant to Section 364.337, Florida Statutes. Upon review of its
application, it appears that XSPEDIA Corp. has sufficient
technical, financial, and managerial capability to provide such
service. Accordingly, we hereby grant to XSPEDIA Corp. Certificate
No. 7583 which shall authorize it to provide alternative local
exchange telecommunications services throughout the State of
Florida, except for the territories of earnings-regulated small
local exchange companies, as set forth in Section 364.337(1),
Florida Statutes.

If this Order becomes final and effective, it shall serve as
XSPEDIA Corp.'s certificate. It should, therefore, be retained by
XSPEDIA Corp. as proof of certification.

Alternative Local Exchange Telecommunications providers (ALECs) are subject to Chapter 25-24, Florida Administrative Code, Part XV, Rules Governing Telecommunications Service Provided by Alternative Local Exchange Companies. ALECs are also required to comply with all applicable provisions of Chapter 364, Florida Statutes, and Chapters 25-4, Florida Administrative Code.

In addition, Section 364.337(2), Florida Statutes, requires ALECs which provide basic local telecommunications service to provide access to 911 services. This Commission has no rules specifying the 911 services that either an incumbent local exchange company (ILEC) or an ALEC must provide; however, 911 service that is inferior to that provided by the ILEC would clearly not be in the public interest. Accordingly, we find that Section 364.337(2), Florida Statutes, requires ALECs which provide basic local telecommunications services to provide at least the same level of 911 services as that provided by the ILEC serving the same area.

In addition, under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee of \$50 if the certificate was active during any portion of the calendar year. A RAFs Return notice for 2000 will be mailed to XSPEDIA. Neither the cancellation of its certificate nor the failure to receive a RAFs Return notice for the year 2000 shall relieve XSPEDIA from its obligation to pay RAFs for 2000.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that we hereby grant to XSPEDIA Corp. Alternative Local Exchange Telecommunications Certificate No. 7583 subject to the terms and conditions set forth in the body of this Order. It is further

ORDERED that this Order shall serve as XSPEDIA Corp.'s certificate and should be retained by XSPEDIA Corp. as proof of certification. It is further

ORDERED that each Alternative Local Exchange Telecommunications company which provides basic local telecommunications services shall provide at least the same level of 911 services as that provided by the incumbent local exchange company serving the same area. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance

It is further
