ORDER SUSPENDING TARIFF REVISIONS

BY THE COMMISSION

On July 20, 2000, Florida Power & Light Company (FPL) filed a
petition for approval of modification and extension of Experimental
Real Time Pricing Rate. FPL provided related revised tariff sheets
with its petition.

Pursuant to Section 366.06(3), Florida Statutes, this
Commission may withhold consent to the operation of all or any
portion of a new rate schedule, delivering to the utility
requesting such increase, within 60 days, a reason or written
statement of good cause for doing so. Pursuant to Section
366.06(3), Florida Statutes, we find that good cause exists to
suspend the FPL's proposed revisions to its Experimental Real Time
Pricing tariff because additional time is necessary for sufficient
review of the modifications.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Florida
Power & Light Company's proposed revisions to its Experimental Real
Time Pricing tariff are suspended. It is further

ORDERED that this docket shall remain open pending a final
decision on the proposed revisions.
