ORDER SUSPENDING TARIFF

BY THE COMMISSION:

On September 26, 2000, Florida Power & Light Company (FPL or Company) filed a petition for approval of a DSM Adjustment Rider.

Pursuant to Section 366.06(3), Florida Statutes, the Commission may withhold consent to the operation of all or any portion of a new rate schedule, delivering to the utility requesting such increase, within 60 days, a reason or written statement of good cause for doing so. Therefore, the proposed tariffs shall be suspended to allow sufficient time to review the petition. We believe this is good cause, consistent with the requirement of Section 366.06(3), Florida Statutes.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the proposed tariffs shall be suspended to allow sufficient time to review Florida Power & Light Company's petition. It is further

ORDERED that this docket shall remain open pending a final decision on the tariff.
