The agreement is incorporated by reference herein. A copy of the agreement may be obtained by contacting our Division of Records and Reporting.

Both the Act and Chapter 364, Florida Statutes, encourage parties to enter into negotiated agreements to bring about local exchange competition as quickly as possible. Section 252(e)(4) requires the state to reject or approve the agreement within 90 days after submission or it shall be deemed approved.

This agreement covers a two-year period and governs the relationship between the companies regarding physical collocation services under 47 U.S.C. § 251. The agreement states that collocation space will be provided for Progress Telecommunications in BellSouth's Central Office. Rates for the collocation space and telecommunications services are set out in the schedules included in the agreement.
