§ 251. Under 47 U.S.C. § 252(a)(1), the agreement shall include a detailed schedule of itemized charges for interconnection and each service or network element included in the agreement.

Upon review of the proposed agreement, we find that it complies with the Act; thus, we hereby approve it. The Commission's approval of this agreement should not be construed as a determination that BellSouth has met the requirements of Section 271 of the Act. BellSouth and Tidal are also required to file any subsequent supplements or modifications to their agreement with the Commission for review under the provisions of 47 U.S.C. § 252(e). We note that Tidal does not currently hold a Florida certificate to provide alternative local exchange telecommunications service, and therefore, it cannot provide services under this agreement until it obtains a certificate from this Commission.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the one-way interconnection agreement between BellSouth Telecommunications, Inc. and Tidal Communications, Inc., is incorporated by reference in this Order, and is hereby approved. A copy of the agreement may be obtained as specified in the body of this Order. It is further

ORDERED that any supplements or modifications to this agreement must be filed with the Commission for review under the provisions of 47 U.S.C. § 252(e). It is further

ORDERED that this Docket shall be closed.
