In re: Application for  
certificate to provide  
alternative local exchange  
telecommunications service by  
Auglink Communications, Inc.

DOCKET NO. 001626-TX  
ORDER NO. PSC-01-0237-PAA-TX  
ISSUED: January 26, 2001

The following Commissioners participated in the disposition of  
this matter:

BRAULIO L. BAEZ  
MICHAEL A. PALECKI

NOTICE OF PROPOSED AGENCY ACTION  
ORDER GRANTING CERTIFICATES TO  
PROVIDE ALTERNATIVE LOCAL EXCHANGE  
TELECOMMUNICATIONS SERVICES

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service  
Commission that the action discussed herein is preliminary in  
nature and will become final unless a person whose interests are  
substantially affected files a petition for a formal proceeding,  
pursuant to Rule 25-22.029, Florida Administrative Code.

The entities listed below have applied for certificates to  
provide Alternative Local Exchange Telecommunications (ALEC)  
service, pursuant to Section 364.337, Florida Statutes. Upon  
review of their applications, it appears that these entities have  
sufficient technical, financial, and managerial capability to

provide such service. Accordingly, we hereby grant to each of these entities the certificates depicted below, which shall authorize them individually to provide ALEC services statewide, except that the ALEC may not offer basic local telecommunications service within the territories of earnings-regulated small local exchange companies, as set forth in Section 364.337(1), Florida Statutes.

<u>ENTITY'S NAME</u>	<u>CERTIFICATE NO.</u>
Auglink Communications, Inc.	7739
Global Metro Networks Florida, LLC	7729

If this Order becomes final and effective, it will serve as each entity's certificate. Each entity should, therefore, retain this Order as proof of certification.

ALEC providers are subject to Chapter 25-24, Florida Administrative Code, Part XV, Rules Governing Telecommunications Service Provided by Alternative Local Exchange Companies. ALEC providers are also required to comply with all applicable provisions of Chapter 364, Florida Statutes, and Chapters 25-4, Florida Administrative Code.

In addition, Section 364.337(2), Florida Statutes, requires ALECs which provide basic local telecommunications service to provide access to 911 services. This Commission has no rules specifying the 911 services that either an Incumbent Local Exchange Company (ILEC) or an ALEC must provide; however, 911 service that is inferior to that provided by the ILEC would clearly not be in the public interest. Accordingly, we find that Section 364.337(2), Florida Statutes, requires ALECs which provide basic local telecommunications services to provide at least the same level of 911 services as that provided by the ILEC serving the same area.

Further, under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee (RAFs) of \$50 if the certificate was active during any portion of the calendar year. A RAFs Return notice will be mailed to each of the entities listed above. Neither the cancellation of its certificate nor the failure to receive a RAFs Return notice shall relieve any

of these entities from its obligation to pay RAFs. The Commission is vested with jurisdiction on this matter pursuant to Sections 364.335 and 364.337, Florida Statutes.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that we hereby grant, to the entities listed herein, certificates to provide Alternative Local Exchange Telecommunications service, subject to the terms and conditions set forth in the body of this Order. It is further

ORDERED that this Order shall serve as each entity's certificate and should, therefore, be retained by these entities as proof of certification. It is further

ORDERED that each Alternative Local Exchange Telecommunications company which provides basic local telecommunications services shall provide at least the same level of 911 services as that provided by the incumbent local exchange company serving the same area. It is further

ORDERED that any protest to the action proposed herein shall specify the entity or entities to which it applies. It is further

ORDERED that, if a protest is filed as to the certification of any particular entity or entities, that protest shall not prevent the action proposed herein from becoming final with regard to the remaining entities listed in this Order. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings or Judicial Review" attached hereto. It is further

ORDERED that in the event this Order becomes final, these Dockets shall be closed.
