ORDER RECONSIDERING VOTE AND APPROVING AMENDMENT TO EXISTING
INTERCONNECTION, UNBUNDLING, AND RESALE AGREEMENT

BY THE COMMISSION:

On October 23, 2000, BellSouth Telecommunications, Inc. (BellSouth) and Daytona Telephone Company (Daytona Telephone) filed with this Commission a petition for approval of an amendment to their existing interconnection agreement pursuant to 47 U.S.C. §252(e) of the Telecommunications Act of 1996 (the Act). By letter dated December 1, 2000, BellSouth requested that the letter be used to correctly style the submittal and the Docket title to reflect that the existing agreement between BellSouth and Daytona Telephone was an interconnection, unbundling, and resale agreement. The amendment to the existing agreement is incorporated by reference herein. A copy of the amendment to the existing agreement may be obtained by contacting our Division of Records and Reporting.

This docket was scheduled to go to the December 19, 2000, Agenda Conference. On December 18, 2000, our staff requested that this docket be deferred from the Agenda Conference because the

recommendation did not reflect the docket title as amended by BellSouth. The docket was rescheduled to go to the January 2, 2001, Agenda Conference. On this date, we approved our staff's recommendation. However, after the vote, it was brought to our staff's attention that, due to a scrivener's error, the recommendation reflected that the filing was an agreement instead of an amendment. Therefore, we find it appropriate to reconsider our vote.

The Act encourages parties to enter into negotiated agreements. Under the requirements of 47 U.S.C. § 252(e), negotiated agreements must be submitted to the state commission for approval. Section 252(e)(4) requires the state to reject or approve the agreement within 90 days after submission or it shall be deemed approved.

The existing agreement governs the relationship between the companies regarding local interconnection and the exchange of traffic pursuant to 47 U.S.C. § 251. Under 47 U.S.C. § 252(a)(1), the agreement shall include a detailed schedule of itemized charges for interconnection and each service or network element included in the agreement.

Upon review of the proposed amendment to the existing agreement, we believe that it complies with the Act; thus, we hereby approve it. The Commission's approval of this agreement should not be construed as a determination that BellSouth has met the requirements of Section 271 of the Act. BellSouth and Daytona Telephone are also required to file any subsequent supplements or modifications to their agreement with the Commission for review under the provisions of 47 U.S.C. § 252(e).

Based on the foregoing, it is

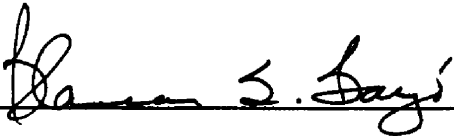

ORDERED by the Florida Public Service Commission that we hereby reconsider our vote at the January 2, 2001, Agenda Conference and approve the amendment to the existing interconnection, unbundling, and resale agreement between BellSouth Telecommunications, Inc. and Daytona Telephone Company, incorporated by reference in this Order. A copy of the amendment to the existing agreement may be obtained as specified in the body of this Order. It is further
