PROVIDE ALTERNATIVE LOCAL EXCHANGE
TELECOMMUNICATIONS SERVICES

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Metstream Communications, Inc. (Metstream) has applied for a certificate to provide Alternative Local Exchange Telecommunications (ALEC) service, pursuant to Section 364.337, Florida Statutes. Upon review of its application, it appears that Metstream has sufficient technical, financial, and managerial capability to provide such service. Accordingly, we hereby grant to Metstream Certificate No. 7785 which shall authorize it to provide ALEC services throughout the State of Florida.

If this Order becomes final and effective, it shall serve as Metstream's certificate. Metstream should, therefore, retain this Order as proof of certification. The Commission is vested with

jurisdiction over this matter pursuant to Sections 364.335 and 364.337, Florida Statutes.

ALEC providers are subject to Chapter 25-24, Florida Administrative Code, Part XV, Rules Governing Telecommunications Service Provided by Alternative Local Exchange Companies. ALEC providers are also required to comply with all applicable provisions of Chapter 364, Florida Statutes, and Chapter 25-4, Florida Administrative Code.

Pursuant to Section 364.337(2), Florida Statutes, basic telecommunications service provided by an ALEC "... must include access to operator services, "911" services, and relay services for the hearing impaired." Further, Section 364.337(2), requires that an ALEC's "911" service "... shall be provided at a level equivalent to that provided by the local exchange telecommunications company serving the same area."

In addition, under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee (RAFs) of \$50 if the certificate was active during any portion of the calendar year. A RAFs Return notice will be mailed each December to Metstream for payment in January. Neither the cancellation of the certificate nor the failure to receive a RAFs Return notice shall relieve Metstream from its obligation to pay RAFs.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that we hereby grant Certificate No. 7785 to Metstream Communications, Inc., which shall authorize it to provide Alternative Local Exchange Telecommunications, subject to the terms and conditions set forth in the body of this Order. It is further

ORDERED that this Order shall serve as Metstream Communications, Inc.'s certificate and should be retained by Metstream Communications, Inc. as proof of certification. It is further
