

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Consideration of  
BellSouth Telecommunications,  
Inc.'s entry into interLATA  
services pursuant to Section 271  
of the Federal  
Telecommunications Act of 1996.

DOCKET NO. 960786-TL  
ORDER NO. PSC-01-0832-PCO-TL  
ISSUED: March 30, 2001

ORDER ON STATUS CONFERENCE AND UPDATING PROCEDURE

Part II of the Federal Telecommunications Act of 1996 (the Act), P.L. 104-104, 104th Congress 1996, provides for the development of competitive markets in the telecommunications industry. Part III of the Act establishes special provisions applicable to the Bell Operating Companies (BOCs). In particular, BOCs must apply to the FCC for authority to provide interLATA service within their in-region service areas. The FCC must consult with the Attorney General and the appropriate state commission before making a determination regarding a BOC's entry into the interLATA market. See Subsections 271(d)(2)(A) and (B). With respect to state commissions, the FCC is to consult with them to verify that the BOC has complied with the requirements of Section 271(c) of the Act.

On June 28, 1996, we opened this docket to begin to fulfill our consultative role on the eventual application of BellSouth Telecommunications, Inc. for authority to provide in-region interLATA service.

On June 12, 1997, Order No. PSC-97-0703-PCO-TL, Second Order Establishing Procedure, was issued. That Order established the hearing schedule in the case and required BellSouth to submit specific documentation in support of its Petition, which was scheduled to be filed on July 7, 1997. On July 2, 1997, Order No. PSC-97-0792-PCO-TL, Order Modifying Procedural Schedule, was issued. That Order set out additional issues to be addressed.

On July 7, 1997, BellSouth filed its Petition and supporting documentation. BellSouth filed the direct testimony and exhibits of 5 witnesses and a draft Statement of Generally Available Terms

and Conditions (SGAT). The intervenors filed their testimony on July 17, 1996, and all parties filed rebuttal testimony on July 31, 1997.

On July 25, 1997, Time Warner filed a Motion to Dismiss or in the Alternative for Abatement of BellSouth Telecommunications' Application for InterLATA relief. BellSouth filed its response in opposition to Time Warner's Motion on August 1, 1997. We denied Time Warner's Motion by Order No. PSC-97-1031-PCO-TL, issued on August 27, 1997.

The hearing on BellSouth's Petition began on September 2, 1997, and ended on September 10, 1997.

Having considered the record, by Order No. PSC-97-1459-FOF-TL, issued November 19, 1997, we rendered findings on whether BellSouth had met the requirements of Section 271(c). Specifically, we found that BellSouth was not eligible to proceed under Track B at that time, because it had received qualifying requests for interconnection that if implemented would meet the requirements of Section 271(c)(1)(A), also known as Track A.

Our evaluation of the record on whether BellSouth met the requirements of Section 271(c)(1)(A) indicated that while there was a competitive alternative in the business market, there was not sufficient evidence to determine whether there was a competitive alternative in the residential market. Thus, based on the evidence in the record, that BellSouth had not met all of the requirements of Section 271(c)(1)(A). This Commission found that BellSouth had met checklist items 3,4,8,9,10,11,12,13, and the majority of checklist item 7. BellSouth had not met the requirements of checklist items 1,2,5,6, and 14. BellSouth had met the requirements of several checklist items in this proceeding, and therefore, we indicated it would not be required to relitigate those issues before us in a future proceeding. We did find, however, that when BellSouth refiles its 271 case with us, it must provide us with all documentation that it intends to file with the FCC in support of its application. Finally, we found that we could not approve BellSouth's SGAT at that time.

On March 6, 2001, BellSouth filed a Motion to Request Scheduling Conference. Therein, BellSouth indicated that it

believed that the schedule to address whether BellSouth has now met the requirements Section 271 should be expedited. Therefore, BellSouth requested a scheduling conference to further discuss the matter. No responses to the motion were filed.

On March 28, 2001, a status conference was conducted with all of the parties. After consideration of the arguments of the parties regarding the scheduling of this proceeding, the schedule set forth in this Order is approved. This schedule will allow us to develop a full and accurate record in a timely manner.

I note that confidentiality issues were also discussed at the status conference, and a separate Protective Order will be issued to address matters relating to that discussion.

This Order is issued pursuant to the authority granted by Rule 28-106.211, Florida Administrative Code, which provides that the presiding officer before whom a case is pending may issue any orders necessary to effectuate discovery, prevent delay, and promote the just, speedy, and inexpensive determination of all aspects of the case.

The scope of this proceeding shall be based upon the issues raised by the parties and Commission staff that are within the scope of Section 271 of the Act, and that are raised up to and during the prehearing conference, unless modified by the Commission.

#### Discovery

When discovery requests are served and the respondent intends to object to or ask for clarification of the discovery request, the objection or request for clarification shall be made within ten days of service of the discovery request. This procedure is intended to reduce delay in resolving discovery disputes.

The hearing in this docket is set for October 11-12 and 17-19, 2001. Unless authorized by the Prehearing Officer for good cause shown, all discovery shall be completed by October 1, 2001. All interrogatories, requests for admissions, and requests for production of documents shall be numbered sequentially in order to facilitate their identification. The discovery requests will be

numbered sequentially within a set and any subsequent discovery requests will continue the sequential numbering system. Pursuant to Rule 28-106.206, Florida Administrative Code, unless subsequently modified by the Prehearing Officer, the following shall apply: interrogatories, including all subparts, shall be limited to 1000, and requests for production of documents, including all subparts, shall be limited to 500.

Due to the volume of information expected in this docket and the schedule for the proceeding, it is reasonable to require an expedited discovery process. Consequently, all discovery responses shall be served within twenty (20) days of receipt of the discovery request. There shall be no extra time for mailing throughout the proceeding. Furthermore, in view of the shortened discovery response period, parties and Commission staff shall serve discovery requests by either express mail, facsimile, hand delivery or e-mail.

Any information provided pursuant to a discovery request for which proprietary confidential business information status is requested shall be treated by the Commission and the parties as confidential. The information shall be exempt from Section 119.07(1), Florida Statutes, pending a formal ruling on such request by the Commission, or upon the return of the information to the person providing the information. If no determination of confidentiality has been made and the information has not been made a part of the evidentiary record in the proceeding, it shall be returned expeditiously to the person providing the information. If a determination of confidentiality has been made and the information was not entered into the record of the proceeding, it shall be returned to the person providing the information within the time period set forth in Section 364.183, Florida Statutes.

#### Diskette Filings

See Rule 25-22.028(1), Florida Administrative Code, for the requirements of filing on diskette for certain utilities.

#### Prefiled Testimony and Exhibits

Each party shall prefile, in writing, all testimony that it intends to sponsor. Such testimony shall be typed on 8 ½ inch x 11

inch transcript-quality paper, double spaced, with 25 numbered lines, on consecutively numbered pages, with left margins sufficient to allow for binding (1.25 inches).

Each exhibit intended to support a witness' prefiled testimony shall be attached to that witness' testimony when filed, identified by his or her initials, and consecutively numbered beginning with 1. All other known exhibits shall be marked for identification at the prehearing conference. After an opportunity for opposing parties to object to introduction of the exhibits and to cross-examine the witness sponsoring them, exhibits may be offered into evidence at the hearing. Exhibits accepted into evidence at the hearing shall be numbered sequentially. The pages of each exhibit shall also be numbered sequentially prior to filing with the Commission.

An original and 15 copies of all testimony and exhibits shall be prefiled with the Director, Division of Records and Reporting, by the close of business, which is 5:00 p.m., on the date due. A copy of all prefiled testimony and exhibits shall be served by mail or hand delivery to all other parties and staff no later than the date filed with the Commission. Failure of a party to timely prefile exhibits and testimony from any witness in accordance with the foregoing requirements may bar admission of such exhibits and testimony.

#### Prehearing Statement

All parties in this docket shall file a prehearing statement. Staff will also file a prehearing statement. The original and 15 copies of each prehearing statement shall be prefiled with the Director of the Division of Records and Reporting by the close of business, which is 5:00 p.m., on the date due. A copy of the prehearing statement shall be served on all other parties and staff no later than the date it is filed with the Commission. Failure of a party to timely file a prehearing statement shall be a waiver of any issue not raised by other parties or by the Commission. In addition, such failure shall preclude the party from presenting testimony in support of its position. Such prehearing statements shall set forth the following information in the sequence listed below.

- (a) The name of all known witnesses that may be called by the party, and the subject matter of their testimony;
- (b) a description of all known exhibits that may be used by the party, whether they may be identified on a composite basis, and the witness sponsoring each;
- (c) a statement of basic position in the proceeding;
- (d) a statement of each question of fact the party considers at issue, the party's position on each such issue, and which of the party's witnesses will address the issue;
- (e) a statement of each question of law the party considers at issue and the party's position on each such issue;
- (f) a statement of each policy question the party considers at issue, the party's position on each such issue, and which of the party's witnesses will address the issue;
- (g) a statement of issues that have been stipulated to by the parties;
- (h) a statement of all pending motions or other matters the party seeks action upon;
- (i) a statement identifying the parties' pending requests or claims for confidentiality; and
- (j) a statement as to any requirement set forth in this order that cannot be complied with, and the reasons therefore.
- (k) a statement identifying any decision or pending decision of the FCC or any court that has or may either preempt or otherwise impact the Commission's

ability to resolve any of the issues presented or the relief requested in this matter.

Prehearing Conference

Pursuant to Rule 28-106.209, Florida Administrative Code, a prehearing conference will be held September 20, 2001 at the Betty Easley Conference Center, 4075 Esplanade Way, Tallahassee, Florida. Any party who fails to attend the prehearing conference, unless excused by the Prehearing Officer, will have waived all issues and positions raised in that party's prehearing statement.

Prehearing Procedure: Waiver of Issues

Any issue not raised by a party prior to the issuance of the prehearing order shall be waived by that party, except for good cause shown. A party seeking to raise a new issue after the issuance of the prehearing order shall demonstrate that: it was unable to identify the issue because of the complexity of the matter; discovery or other prehearing procedures were not adequate to fully develop the issue; due diligence was exercised to obtain facts touching on the issue; information obtained subsequent to the issuance of the prehearing order was not previously available to enable the party to identify the issue; and introduction of the issue could not be to the prejudice or surprise of any party. Specific reference shall be made to the information received, and how it enabled the party to identify the issue.

Unless a matter is not at issue for that party, each party shall diligently endeavor in good faith to take a position on each issue prior to issuance of the prehearing order. When a party is unable to take a position on an issue, it shall bring that fact to the attention of the Prehearing Officer. If the Prehearing Officer finds that the party has acted diligently and in good faith to take a position, and further finds that the party's failure to take a position will not prejudice other parties or confuse the proceeding, the party may maintain "no position at this time" prior to hearing and thereafter identify its position in a post-hearing statement of issues. In the absence of such a finding by the Prehearing Officer, the party shall have waived the entire issue. When an issue and position have been properly identified, any party may adopt that issue and position in its post-hearing statement.

Document Identification

Each exhibit submitted shall have the following in the upper right-hand corner: the docket number, the witness's name, the word "Exhibit" followed by a blank line for the exhibit number and the title of the exhibit.

An example of the typical exhibit identification format is as follows:

Docket No. 12345-TL  
J. Doe Exhibit No. \_\_\_\_\_  
Cost Studies for Minutes of Use by Time of Day

Because issues have not yet been specifically identified, a separate order on the issues to be addressed will be issued at a later date.

Use of Confidential Information At Hearing

It is the policy of this Commission that all Commission hearings be open to the public at all times. The Commission also recognizes its obligation pursuant to Section 364.183, Florida Statutes, to protect proprietary confidential business information from disclosure outside the proceeding. Any party wishing to use any proprietary confidential business information, as that term is defined in Section 364.183(3), Florida Statutes, shall notify the Prehearing Officer and all parties of record by the time of the Prehearing Conference, or if not known at that time, no later than seven (7) days prior to the beginning of the hearing. The notice shall include a procedure to assure that the confidential nature of the information is preserved as required by statute. Failure of any party to comply with the seven-day requirement described above shall be grounds to deny the party the opportunity to present evidence which is proprietary confidential business information.

When confidential information is used in the hearing, parties must have copies for the Commissioners, necessary staff, and the Court Reporter, in envelopes clearly marked with the nature of the contents. Any party wishing to examine the confidential material that is not subject to an order granting confidentiality shall be provided a copy in the same fashion as provided to the Commissioners, subject to execution of any appropriate protective agreement with the owner of the material. Counsel and witnesses are cautioned to avoid verbalizing confidential information in such a way that would compromise the confidential information. Therefore, confidential information should be presented by written exhibit when reasonably possible to do so. At the conclusion of that portion of the hearing that involves confidential information, all copies of confidential exhibits shall be returned to the proffering party. If a confidential exhibit has been admitted into evidence, the copy provided to the Court Reporter shall be retained in the Division of Records and Reporting's confidential files.

Post-Hearing Procedure

Each party shall file a post-hearing statement of issues and positions. A summary of each position of no more than 50 words, set off with asterisks, shall be included in that statement. If a party's position has not changed since the issuance of the prehearing order, the post-hearing statement may simply restate the prehearing position; however, if the prehearing position is longer than 50 words, it must be reduced to no more than 50 words. If a party fails to file a post-hearing statement in conformance with the rule, that party shall have waived all issues and may be dismissed from the proceeding.

Pursuant to Rule 28-106.215, Florida Administrative Code, a party's proposed findings of fact and conclusions of law, if any, statement of issues and positions, and brief, shall together total no more than 40 pages, and shall be filed at the same time.

Based upon the foregoing, it is

ORDERED by Commissioner J. Terry Deason, as Prehearing Officer, that the provisions of this Order shall govern this proceeding unless modified by the Commission.

By ORDER of Commissioner J. Terry Deason as Prehearing Officer, this 30th Day of March, 2001.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
