In re: Petition for Approval of
Commercial/Industrial Service
Rider Tariff by Tampa Electric
Company.

DOCKET NO. 980706-EI
ORDER NO. PSC-01-1301-CFO-EI
ISSUED: June 15, 2001

ORDER GRANTING CONFIDENTIAL CLASSIFICATION TO
TAMPA ELECTRIC COMPANY'S COMMERCIAL/INDUSTRIAL
SERVICE RIDER REPORT FOR QUARTER ENDING MARCH 31, 2001
(DOCUMENT NO. 04588-01)

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Tampa Electric Company (TECO or Company) has requested specified confidential treatment for certain information contained in TECO's Commercial/Industrial Service Rider (CISR) Report for the quarter ending March 31, 2001. The confidential information is located in Document No. 04588-01.

TECO contends that release of the information contained in the CISR Report could cause harm to both TECO and any entity that has entered into the Contract Service Agreement (CSA). At the present time, TECO has only one customer with which it has negotiated a CSA contract under the CISR tariff. TECO maintains that the information for which confidential classification is sought, is intended to be, and is treated by TECO as private, and has not been publicly disclosed. Accordingly, the Company requests that the information be granted confidential classification pursuant to Section 366.093(3)(e), Florida Statutes.

INFORMATION FOR WHICH CONFIDENTIAL CLASSIFICATION IS SOUGHT

TECO specifically requests confidential classification for the cumulative total revenues associated with all executed CSA's.

TECO contends that the CSA information shows the revenues from the CISR customer. The Company asserts that a competitor of the customer could use this information to "back into" the negotiated CSA rate to the detriment of the CISR customer. TECO asserts that this would have a chilling effect on its ability to negotiate CSA's with other at-risk customers in the future. As such, TECO maintains that this information is entitled to confidential protection under Section 366.093, Florida Statutes.

CONCLUSION

Upon review, the information described above appears to be proprietary, confidential business information within the meaning of Section 366.093(3), Florida Statutes. Therefore, TECO's request for confidential classification of information contained in its Commercial/Industrial Service Rider Report for the quarter ending March 31, 2001, is granted.

Section 366.093(4), Florida Statutes, provides that "any finding by the Commission that records contain proprietary confidential business information is effective for a period not to exceed 18 months, unless good cause is shown for a specified longer period." TECO did not specify a time period in its request. Therefore, this information shall be granted confidential classification for a period of 18 months from the date of issuance of this Order.

It is therefore

ORDERED by Commissioner Braulio L. Baez, as Prehearing Officer, that the request by Tampa Electric Company that the information contained in its Commercial/Industrial Service Rider Report for the quarter ending March 31, 2001, be granted confidential classification, is approved. It is further

ORDERED that the information described within the body of this Order and contained in Document No. 04588-01 shall be granted confidential classification for a period of 18 months from the date of the issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.
