local interconnection and the exchange of traffic pursuant to 47 U.S.C. § 251. The agreement states that collocation space will be provided for U.S. South Communications in BellSouth's Central Offices and telecommunications services provided by BellSouth for resale will be available for purchase by U.S. South Communications. Upon review of the proposed agreement, we believe that it complies with the Act; thus, we hereby approve it. The Commission's approval of this agreement should not be construed as a determination that BellSouth has met the requirements of Section 271 of the Act. BellSouth and U.S. South Communications are also required to file any subsequent supplements or modifications to their agreement with the Commission for review under the provisions of 47 U.S.C. § 252(e).
