ORDER GRANTING INTERVENTION

BY THE COMMISSION:

By Petition, the County of Volusia (Volusia County) has requested permission to intervene in this proceeding. Volusia County states that it is a charter county of the State of Florida which has a small area in the southwest quadrant of the county that is served by the 407/321 area code. The remainder of the county is served by the 386 area code. Volusia County argues that substantial confusion exists within the county because of the division between area codes.

Having reviewed the Petition, it appears that Volusia County's substantial interests may be affected by this proceeding because it is partially served by the 407/321 area code. Therefore, the Petition shall be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, the County takes the case as it finds it.

Based on the foregoing, it is
