If this Order becomes final and effective, it shall serve as Boomerang's certificate. Boomerang should, therefore, retain this Order as proof of certification. The Commission is vested with jurisdiction over this matter pursuant to Sections 364.335 and 364.337, Florida Statutes.

ALEC providers are subject to Chapter 25-24, Florida Administrative Code, Part XV, Rules Governing Telecommunications Service Provided by Alternative Local Exchange Companies. ALEC providers are also required to comply with all applicable provisions of Chapter 364, Florida Statutes, and Chapter 25-4, Florida Administrative Code.

Pursuant to Section 364.337(2), Florida Statutes, basic telecommunications service provided by an ALEC "... must include access to operator services, "911" services, and relay services for the hearing impaired." Further, Section 364.337(2), requires that an ALEC's "911" service "... shall be provided at a level equivalent to that provided by the local exchange telecommunications company serving the same area."

In addition, under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee (RAFs) of \$50 if the certificate was active during any portion of the calendar year. A RAFs Return notice will be mailed each December to Boomerang for payment in January. Neither the cancellation of the certificate nor the failure to receive a RAFs Return notice shall relieve Boomerang from its obligation to pay RAFs.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that we hereby grant Certificate No. 7880 to W.G.I. Communications, Inc. d/b/a Boomerang Communications, Inc., which shall authorize it to provide Alternative Local Exchange Telecommunications services, subject to the terms and conditions set forth in the body of this Order. It is further

ORDERED that this Order shall serve as W.G.I. Communications, Inc. d/b/a Boomerang Communications, Inc.'s certificate and should
