DOCKET NO. 010503-WU
ORDER NO. PSC-01-1680-PCO-WU
ISSUED: August 17, 2001

ORDER ESTABLISHING PROCEDURE

Pursuant to Section 367.081, Florida Statutes, Aloha Utilities, Inc. (Aloha or utility), has requested a general rate increase for its Seven Springs water system. The utility completed filing the minimum filing requirements for its requested rate increase on August 10, 2001. The utility has specifically requested that this petition for increased water rates be set directly for administrative hearing and has not requested the Commission to process its application for rate relief using the proposed agency action process pursuant to Section 367.081(8), Florida Statutes. Pursuant to this request, the rate application has been assigned to a panel of Commissioners, and an administrative hearing has been scheduled for December 10-12, 2001, in the New Port Richey area.

This Order is issued pursuant to the authority granted by Rule 28-106.211, Florida Administrative Code, which provides that the presiding officer before whom a case is pending may issue any orders necessary to effectuate discovery, prevent delay, and promote the just, speedy, and inexpensive determination of all aspects of the case.

The scope of this proceeding shall be based upon the issues raised by the parties and Commission staff (staff) up to and during the prehearing conference, unless modified by the Commission. The hearing will be conducted according to the provisions of Chapter 120, Florida Statutes, and all administrative rules applicable to this Commission.

The hearing in this docket is set for December 10-12, 2001. Unless authorized by the Prehearing Officer for good cause shown, all discovery shall be completed by December 3, 2001. All interrogatories, requests for admissions, and requests for production of documents shall be numbered sequentially in order to facilitate their identification. The discovery requests will be numbered sequentially within a set, and any subsequent discovery requests will continue the sequential numbering system. Pursuant to Rule 28-106.206, Florida Administrative Code, unless subsequently modified by the Prehearing Officer, the following shall apply: interrogatories, including all subparts, shall be limited to 100; and requests for production of documents, including all subparts, shall also be limited to 100.

Any information provided pursuant to a discovery request for which proprietary confidential business information status is requested shall be treated by the Commission and the parties as confidential. The information shall be exempt from Section 119.07(1), Florida Statutes, pending a formal ruling on such request by the Commission, or upon the return of the information to the person providing the information. If no determination of confidentiality has been made and the information has not been made a part of the evidentiary record in the proceeding, it shall be returned expeditiously to the person providing the information. If a determination of confidentiality has been made and the information was not entered into the record of the proceeding, it shall be returned to the person providing the information within the time period set forth in Section 367.156(2), Florida Statutes.

Notice and Public Information

The utility shall comply with the requirements of Rule 25-22.0407, Florida Administrative Code.

The notice required by Rule 25-22.0407, Florida Administrative Code, shall also include a statement that any customer comments regarding the utility's service or the proposed rate increase should be addressed to the Director, Division of the Commission Clerk and Administrative Services, Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, and that such comments should identify the docket number assigned to this proceeding.

In addition to the requirements of Rule 25-22.0407, Florida Administrative Code, the utility shall give written notice of the date, time, location, and purpose of the hearing to each of its customers no less than fourteen days prior to the first day of the hearing. The utility shall utilize first class mail for notices sent to customers with out of town mailing addresses.

Prefiled Testimony and Exhibits

Each party shall prefile, in writing, all testimony that it intends to sponsor. Such testimony shall be typed on 8 ½ inch x 11 inch transcript-quality paper, double spaced, with 25 numbered lines, on consecutively numbered pages, with left margins sufficient to allow for binding (1.25 inches).

Each exhibit intended to support a witness' prefiled testimony shall be attached to that witness' testimony when filed, identified by his or her initials, and consecutively numbered beginning with 1. All other known exhibits shall be marked for identification at the prehearing conference. After an opportunity for opposing parties to object to introduction of the exhibits and to cross-examine the witness sponsoring them, exhibits may be offered into evidence at the hearing. Exhibits accepted into evidence at the hearing shall be numbered sequentially. The pages of each exhibit shall also be numbered sequentially prior to filing with the Commission.

An original and 15 copies of all testimony and exhibits shall be prefiled with the Director, Division of the Commission Clerk and Administrative Services, by the close of business, which is 5:00 p.m., on the date due. A copy of all prefiled testimony and exhibits shall be served by mail or hand delivery to all other parties and staff no later than the date filed with the Commission. Failure of a party to timely prefile exhibits and testimony from

any witness in accordance with the foregoing requirements may bar admission of such exhibits and testimony.

If a demonstrative exhibit or other demonstrative tools are to be used at hearing, they must be identified by the time of the Prehearing Conference.

Prehearing Statement

All parties in this docket shall file a prehearing statement. Staff will also file a prehearing statement. The original and 15 copies of each prehearing statement shall be prefiled with the Director of the Division of the Commission Clerk and Administrative Services by the close of business, which is 5:00 p.m., on the date due. A copy of the prehearing statement shall be served on all other parties and staff no later than the date it is filed with the Commission. Failure of a party to timely file a prehearing statement shall be a waiver of any issue not raised by other parties or by the Commission. In addition, such failure shall preclude the party from presenting testimony in support of its position. Such prehearing statements shall set forth the following information in the sequence listed below.

- (a) The name of all known witnesses that may be called by the party, and the subject matter of their testimony;

Use of Confidential Information At Hearing

It is the policy of this Commission that all Commission hearings be open to the public at all times. The Commission also recognizes its obligation pursuant to Section 367.156, Florida Statutes, to protect proprietary confidential business information from disclosure outside the proceeding. Any party wishing to use any proprietary confidential business information, as that term is defined in Section 367.156, Florida Statutes, shall notify the Prehearing Officer and all parties of record by the time of the Prehearing Conference, or if not known at that time, no later than seven (7) days prior to the beginning of the hearing. The notice shall include a procedure to assure that the confidential nature of the information is preserved as required by statute. Failure of any party to comply with the seven-day requirement described above shall be grounds to deny the party the opportunity to present evidence which is proprietary confidential business information.

When confidential information is used in the hearing, parties must have copies for the Commissioners, necessary staff, and the Court Reporter, in envelopes clearly marked with the nature of the contents. Any party wishing to examine the confidential material that is not subject to an order granting confidentiality shall be provided a copy in the same fashion as provided to the Commissioners, subject to execution of any appropriate protective agreement with the owner of the material. Counsel and witnesses are cautioned to avoid verbalizing confidential information in such

a way that would compromise the confidential information. Therefore, confidential information should be presented by written exhibit when reasonably possible to do so. At the conclusion of that portion of the hearing that involves confidential information, all copies of confidential exhibits shall be returned to the proffering party. If a confidential exhibit has been admitted into evidence, the copy provided to the Court Reporter shall be retained in the Division of the Commission Clerk and Administrative Services' confidential files.

Post-Hearing Procedure

Each party shall file a post-hearing statement of issues and positions. A summary of each position of no more than 50 words, set off with asterisks, shall be included in that statement. If a party's position has not changed since the issuance of the prehearing order, the post-hearing statement may simply restate the prehearing position; however, if the prehearing position is longer than 50 words, it must be reduced to no more than 50 words. If a party fails to file a post-hearing statement in conformance with the rule, that party shall have waived all issues and may be dismissed from the proceeding.

Pursuant to Rule 28-106.215, Florida Administrative Code, a party's proposed findings of fact and conclusions of law, if any, statement of issues and positions, and brief, shall together total no more than 50 pages, and shall be filed at the same time.

Based upon the foregoing, it is

ORDERED by Commissioner Michael A. Palecki, as Prehearing Officer, that the provisions of this Order shall govern this proceeding unless modified by the Commission.

By ORDER of Commissioner Michael A. Palecki, as Prehearing Officer, this 17th day of August, 2001.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
