VoiceStream is a facilities based commercial mobile radio service ("CMRS") provider that utilizes a significant number of NXX codes in its provision of a full panopoly of wireless telecommunications services throughout Florida. As such, VoiceStream argues that its business interests, including but not limited to the timely availability of NXX codes, will be significantly impacted by any decision the Commission may render regarding rate center consolidation.

Having reviewed the Petition, it appears that VoiceStream's substantial interests may be affected by this proceeding because of its use of NXX codes throughout Florida. Therefore, the Petition shall be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, VoiceStream takes the case as it finds it.
