ORDER GRANTING CANCELLATION OF INTEREXCHANGE TELECOMMUNICATIONS  
CERTIFICATE DUE TO CHAPTER 11 BANKRUPTCY

BY THE COMMISSION:

VoCall Communications Corp. (VoCall Communications) currently holds Certificate of Public Convenience and Necessity No. 5208, issued by the Commission on September 3, 1997, authorizing the provision of Interexchange Telecommunications service. The Division of the Commission Clerk and Administrative Services advised our staff by memorandum that VoCall Communications had not paid the 2000 Regulatory Assessment Fees (RAFs). Also, accrued statutory penalties and interest charges for late RAFs payments for the year 2000 had not been paid. VoCall Communications was scheduled to remit its RAFs by January 30, 2001.

Pursuant to Section 364.336, Florida Statutes, certificate holders must pay a minimum annual RAF of \$50 if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-4.0161 (2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. receive a copy of our rules governing Interexchange Telecommunications service.

On July 23, 2001, we received a letter dated July 19, 2001 from the company which requested cancellation of its certificate. The letter included a copy of the Secretary of State's certification dated January 19, 2001, which withdrew VoCall Communications Corp.'s authority as a corporation in Florida.

On August 14, 2001, our staff wrote the company and explained that before a voluntary cancellation could be granted, it needed to pay the 2000 RAF, including statutory penalty and interest charges, and either pay the 2001 RAF or provide a date certain it would be paid. On August 27, 2001, we received notice that VoCall Communications Corp. had filed for Chapter 11 bankruptcy protection. The notice stated that the company had originally filed for Chapter 7 on September 19, 2000, but that the case had been converted to Chapter 11 on February 26, 2001.

Chapter 11 of Section 109 of the Federal Bankruptcy Code provides for reorganization by business entities. The filing of a bankruptcy petition under Chapter 11 invokes an automatic injunction known as the Automatic Stay, codified in Bankruptcy Code Section 362. Section 362(b)(5) provides that, for governments, the filing of the petition does not operate as a stay "of the enforcement of a judgment, other than a money judgment, obtained in an actual proceeding by a governmental unit to enforce such governmental unit's police or regulatory power." (emphasis added) Thus, it would appear that we are not enjoined from exercising our police powers to protect public health, safety and welfare, but are enjoined from exercising our regulatory authority seeking to collect a debt. However, in this case, the company has requested cancellation of its certificate. Under those circumstances, this Commission is free to do so. We note that the Division of the Commission Clerk and Administrative Services will be notified that the past due RAFs should not be sent to the Comptroller's Office for collection, but that permission for the Commission to write-off the uncollectible amount should be requested.

Accordingly, we find it appropriate to cancel Interexchange Telecommunications Certificate No. 5208, effective July 23, 2001.
