ORDER GRANTING CANCELLATION OF INTEREXCHANGE TELECOMMUNICATIONS

CERTIFICATES DUE TO CHAPTER 11 BANKRUPTCY

BY THE COMMISSION:

@link Networks, Inc. (@link Networks) currently holds
Certificates of Public Convenience and Necessity Nos. 7203 and
7204, issued by the Commission on November 12, 1999, authorizing
the provision of Interexchange Telecommunications (IXC) and
Alternative Local Exchange Telecommunications (ALEC) service
respectively. The Division of the Commission Clerk and
Administrative Services advised our staff by memorandum that @link
Networks had not paid the 2000 Regulatory Assessment Fees (RAFs).
Also, accrued statutory penalties and interest charges for late
RAFs payments for the year 2000 had not been paid. @link Networks
was scheduled to remit its RAFs by January 30, 2001.

holders must pay a minimum annual RAF of \$50 if the certificate was

of the subsequent year. All entities that apply for certification receive a copy of our rules governing IXC and ALEC service.

On May 8, 2001, the Commission received notice that @link Networks, Inc. had filed for Chapter 11 bankruptcy protection on April 25, 2001. On May 14, 2001 the Commission received a letter dated May 7, 2001 from Mr. Alexander Good, Chairman and CEO, which requested permission to maintain its operating authority although it had begun notifying its customers that service would be discontinued. Mr. Good stated that the notice to customers provided information on other telecommunications providers.

On May 15, 2001, the Commission received a letter dated May 9, 2001 from Mr. Good, which stated that @link Networks had been unable to obtain additional financing and that under the circumstances, it had ceased doing business and that the company's assets would be liquidated. Mr. Good requested that the Commission terminate any operating authority previously granted.

Chapter 11 of Section 109 of the Federal Bankruptcy Code provides for reorganization by business entities. The filing of a bankruptcy petition under Chapter 11 invokes an automatic injunction known as the Automatic Stay, codified in Bankruptcy Code Section 362. Section 362(b)(5) provides that, for governments, the filing of the petition does not operate as a stay "of the enforcement of a judgment, other than a money judgment, obtained in an actual proceeding by a governmental unit to enforce such governmental unit's police or regulatory power." (emphasis added) Thus, it would appear that we are not enjoined from exercising our police powers to protect public health, safety and welfare, but are enjoined from exercising our regulatory authority seeking to collect a debt. However, in this case, the company has requested cancellation of its certificate. Under those circumstances, this Commission is free to do so. We note that the Division of the Commission Clerk and Administrative Services will be notified that the past due RAFs should not be sent to the Comptroller's Office for collection, but that permission for the Commission to write-off the uncollectible amount should be requested.

Accordingly, we find it appropriate to cancel IXC Certificate No. 7203 and ALEC Certificate No. 7204, effective May 8, 2001. We

are vested with jurisdiction over this matter pursuant to Sections 364.336, 364.285, and 364.335, Florida Statutes.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that @link Networks, Inc.'s Certificate Nos. 7203 and 7204 to provide Interexchange Telecommunications and Alternative Local Exchange Telecommunications services are hereby canceled, effective May 8, 2001. It is further

ORDERED that the outstanding Regulatory Assessment Fees should not be sent to the Comptroller's Office for collection. The Division of the Commission Clerk and Administrative Services, instead, shall request for permission to write-off the uncollectible amount. It is further

ORDERED that this Docket is closed.

By ORDER of the Florida Public Service Commission this 19th Day of October, 2001.

Division of the Commission Clerk
and Administrative Services
