DOCKET NO. 990649-TP
ORDER NO. PSC-01-2504-CFO-TP
ISSUED: December 21, 2001

ORDER GRANTING REQUEST FOR CONFIDENTIAL TREATMENT
OF DOCUMENT NO. 11487-00

On December 10, 1998, in Docket No. 981834-TP, the Florida Competitive Carriers Association (FCCA), the Telecommunications Resellers, Inc. (TRA), AT&T Communications of the Southern States, Inc. (AT&T), MCIMetro Access Transmission Services, LLC (MCIMetro), WorldCom Technologies, Inc. (WorldCom), the Competitive Telecommunications Association (Comptel), MGC Communications, Inc. (MGC), Intermedia Communications Inc. (Intermedia), Supra Telecommunications and Information Systems (Supra), Florida Digital Network, Inc. (Florida Digital Network), and Northpoint Communications, Inc. (Northpoint) (collectively, "Competitive Carriers") filed their Petition of Competitive Carriers for Commission Action to Support Local Competition in BellSouth's Service Territory. Among other matters, the Competitive Carriers' Petition asked that this Commission set deaveraged unbundled network element (UNE) rates.

On May 26, 1999, this Commission issued Order No. PSC-99-1078-PCO-TP, granting in part and denying in part the Competitive Carriers' petition. Specifically, the Commission granted the request to open a generic UNE pricing docket for the three major incumbent local exchange providers, BellSouth Telecommunications, Inc. (BellSouth), Sprint-Florida, Incorporated (Sprint), and GTE Florida Incorporated (GTEFL). Accordingly, this docket was opened to address the deaveraged pricing of UNEs, as well as the pricing of UNE combinations and nonrecurring charges.

By Order No. PSC-99-1397-PCO-TP, issued July 20, 1999, the procedures for this docket were established and the controlling dates set. A Second Revised Order on Procedure, Order No. PSC-00-0540-PCO-TP, was issued on March 16, 2000, which set forth new filing dates and also the newly refined issues to be addressed in this proceeding. By Order No. PSC-00-2015-PCO-TP, issued June 8, 2000, the filing dates were extended and the procedure for this case was further modified. Pursuant to these Orders, Phase I was

set for hearing July 17-19, 2000, and Phase II was set for hearing September 19-22, 2000.

On September 14, 2000, Sprint filed a request for confidential classification. In its request, Sprint seeks confidential treatment of its response to Staff's Seventh Set of Interrogatories, No. 42 (Document No. 11487-00). Sprint explains that the response addresses how its witness McMahon developed the "actual work times" set forth in his refiled rebuttal testimony. The response includes contracts Sprint has with contractors in Florida to remove load coils and bridged taps. Sprint maintains that the CD-Rom response, in its entirety, should be afforded confidential treatment, because it includes vendor-specific pricing information and confidential business information. Sprint maintains that if this information is released, it would impair Sprint's ability to contract for goods and services on favorable terms. Sprint asserts that it treats this information as confidential and that it has not otherwise been released.

Florida law presumes that documents submitted to governmental agencies shall be public records. The only exceptions to this presumption are the specific statutory exemptions provided in the law and exemptions granted by governmental agencies pursuant to the specific terms of a statutory provision. This presumption is based on the concept that government should operate in the "sunshine." Rule 25-22.006(4)(c), Florida Administrative Code, provides that it is the Company's burden to demonstrate that the documents fall into one of the statutory examples set out in Section 364.183, Florida Statutes, or to demonstrate that the information is proprietary confidential information, the disclosure of which will cause the Company or its ratepayers harm.

Section 364.183(3), Florida Statutes, in pertinent part, provides:

The term "proprietary confidential business information" means information, regardless of form or characteristics, which is owned or controlled by the person or company, is intended to be and is treated by the person or company as private in that the disclosure of the information would cause harm to the ratepayers or the person's or company's

business operations, and has not been disclosed unless disclosed pursuant to a statutory provision, an order of a court or administrative body, or private agreement that provides that the information will not be released to the public.

Based on the definition of proprietary confidential business information in Section 364.183(3), Florida Statutes, it appears that the material described herein is proprietary business information in accordance with Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code. Disclosure of this information could be detrimental to Sprint's ability to negotiate for goods and services on favorable terms and could impair Sprint's ability to compete. As such, Sprint's Request for Confidential Classification of Document No. 11487-00 is hereby granted.

Based on the foregoing, it is therefore

ORDERED by Chairman E. Leon Jacobs, Jr., as Prehearing Officer, that Sprint Communications Company Limited Partnership's Request for Specified Confidential Classification filed on September 14, 2000, addressing Document No. 11487-00 is hereby granted.

ORDERED that pursuant to Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, the confidentiality granted to the material specified herein shall expire eighteen (18) months from the date of the issuance of this Order, in the absence of a renewed request for confidentiality pursuant to Section 364.183, Florida Statutes. It is further

ORDERED that this Order will be the only notification by the Commission to the parties concerning the expiration of the confidentiality time period.
