DOCKET NO. 011605-EI  
ORDER NO. PSC-02-0428-PCO-EI  
ISSUED: March 28, 2002

ORDER IDENTIFYING NEW ISSUE FOR COMMISSION WORKSHOP

By Order No. PSC-02-0192-PCO-EI, issued February 12, 2002, procedural guidelines, a tentative list of issues, and controlling dates were established for this docket. The tentative list of six issues established in that Order is hereby expanded to include the following issue:

ISSUE 7: What incentive(s), if any, should the Commission establish to encourage investor-owned electric utilities to optimally manage the risks to ratepayers associated with fuel and purchased power price volatility?

This new issue shall be the subject of a Commission workshop scheduled for Monday, June 17, 2002. In response to this new issue and for discussion at this workshop, each party shall file in writing, by Wednesday, June 5, 2000, either a proposed incentive plan or a statement explaining why such an incentive is not appropriate. All parties should be prepared to discuss in detail at this workshop the relative merits and approximate costs of such an incentive and any proposed incentive plans.

This Order is issued pursuant to the authority granted by Rule 28-106.211, Florida Administrative Code, which provides that the presiding officer before whom a case is pending may issue any orders necessary to effectuate discovery, prevent delay, and promote the just, speedy, and inexpensive determination of all aspects of the case.

Based upon the foregoing, it is

ORDERED by Commissioner Michael A. Palecki, as Prehearing Officer, that a Commission workshop shall be held to discuss the matters set forth in the body of this Order.
