ISSUED: April 3, 2002

ORDER GRANTING REQUEST FOR CONFIDENTIAL CLASSIFICATION
OF DOCUMENT NO. 00375-02

On January 10, 2002, Sprint-Florida, Incorporated (Sprint) filed a request for confidential classification. In its request, Sprint seeks confidential treatment of its response to Staff's Second Request for Production of Documents, Request No. 17 (Document No. 00375-02). The documents that are the subject of the request are:

- a. Strategic Sourcing Master Designated Work for Construction Agreement between Sprint/United Management Company and The Fishel Company, Inc.
- b. Strategic Sourcing Master Designated Work for Construction Agreement between Sprint/United Sprint Management Company and Cornerstone of North-Florida, Inc.
- c. Strategic Sourcing Master Designated Work for Construction Agreement between Sprint/United Management Company and MASTEC North America, Inc.

Sprint explains that the response contains vendor-specific pricing and provisioning negotiated by Sprint. Sprint maintains that if this information is released, it would impair Sprint's ability to contract for goods and/or services on favorable terms thereby causing harm to Sprint's business operations. Sprint asserts that it treats this information as confidential and that it has not otherwise been released.

Florida law presumes that documents submitted to governmental agencies shall be public records. The only exceptions to this presumption are the specific statutory exemptions provided in the law and exemptions granted by governmental agencies pursuant to the specific terms of a statutory provision. This presumption is based on the concept that government should operate in the "sunshine." Rule 25-22.006(4)(c), Florida Administrative Code, provides that it

is the Company's burden to demonstrate that the documents fall into one of the statutory examples set out in Section 364.183, Florida Statutes, or to demonstrate that the information is proprietary confidential information, the disclosure of which will cause the Company or its ratepayers harm.

Section 364.183(3), Florida Statutes, in pertinent part, provides:

The term "proprietary confidential business information" means information, regardless of form or characteristics, which is owned or controlled by the person or company, is intended to be and is treated by the person or company as private in that the disclosure of the information would cause harm to the ratepayers or the person's or company's business operations, and has not been disclosed unless disclosed pursuant to a statutory provision, an order of a court or administrative body, or private agreement that provides that the information will not be released to the public.

Based on the definition of proprietary confidential business information in Section 364.183(3), Florida Statutes, it appears that the material described herein is proprietary business information in accordance with Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code. Disclosure of this information would impair the efforts of the company to contract for goods and/or services on favorable terms, thus causing harm to the company's business operations. As such, Sprint's Request for Confidential Classification of Document No. 00375-02 is hereby granted.

Based on the foregoing, it is

ORDERED by Braulio L. Baez, as Prehearing Officer, that the Request for Confidential Classification of Document No. 00375-02 filed by Sprint-Florida, Incorporated is hereby granted. It is further

ORDERED that pursuant to Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, the
