In re: Petition to determine  
need for an electrical power  
plant in Martin County by  
Florida Power & Light Company.

DOCKET NO. 020262-EI  
ORDER NO. PSC-02-0552-PCO-EI  
ISSUED: April 23, 2002

ORDER GRANTING PETITION TO INTERVENE

By Petition filed April 10, 2002, Mirant Corporation (Mirant) requested permission to intervene in this proceeding.<sup>1</sup> Florida Power & Light Company (FPL) filed a response to Reliant's petition to intervene on April 17, 2002.

In its petition, Mirant claims that it is entitled to intervene in this proceeding, because it was a respondent to the Request for Proposals (RFP) that FPL issued in August of 2001, in which FPL solicited alternative proposals to supply its projected generating capacity needs in 2005 and 2006. FPL issued the RFP to comply with Commission Rule 25-22.082 (2), Florida Administrative Code, which requires all electric utilities to issue an RFP before submitting a petition for a Determination of Need to the Commission. Mirant alleges that FPL rejected all proposals submitted in response to its RFP, and ultimately filed a petition to determine the need for its own proposal to build an additional power plant itself in Martin County. Mirant challenges the validity of FPL's RFP process and alleges that FPL failed to comply with the requirements of Rule 25-22.082. Mirant claims that its substantial interests will be affected by the Commission's decision in this need determination proceeding, and it is entitled to intervene to protect those interests and to challenge FPL's RFP process.

FPL responds that it does not object to Mirant's intervention in this need determination proceeding, but it does object to certain of the "Disputed Issues of Law and Fact" and to the prayer

<sup>1</sup> FPL has filed a companion case to this case; Docket No. 020263-EI, *In Re: Petition for Determination of Need for Proposed Electrical Power Plant in Manatee County by Florida Power & Light Company*, filed March 22, 2002. FPL also filed a Motion to Consolidate the two dockets for procedural purposes, which is pending at present. Mirant has filed a Petition to Intervene in that docket as well.

for relief claimed in Mirant's Petition. FPL asserts that they are unnecessary, insupportably over-broad and inappropriate for resolution in this proceeding. FPL reserves the right to contest the scope of the issues Mirant raises, and the relief it has requested, during the course of the proceeding.

FPL's objections to the scope of issues Mirant has raised and the relief that Mirant has requested are duly noted. They will be addressed at the appropriate time. For purposes of this Petition to Intervene, it is sufficient that Mirant has demonstrated that its substantial interests may be affected by the Commission's decision, and that those interests are the type of interest the Commission's proceeding was designed to protect. For these reasons Mirant's Petition to Intervene is granted.

It is therefore

ORDERED by Commissioner J. Terry Deason as the Prehearing Officer that the Petition to Intervene filed by Mirant Corporation, Inc. is granted. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings and other documents which may hereinafter be filed in this proceeding, to:
