

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition to determine
need for an electrical power
plant in Manatee County by
Florida Power & Light Company.

DOCKET NO. 020263-EI
ORDER NO. PSC-02-0595-PCO-EI
ISSUED: May 1, 2002

ORDER GRANTING PETITION TO INTERVENE

By Petition filed April 19, 2002, South Pond Energy Park, LLC (South Pond) requested permission to intervene in this proceeding.¹ Florida Power & Light Company (FPL) filed a response to South Pond's petition to intervene on April 24, 2002.

In its petition, South Pond claims that it is entitled to intervene in this proceeding, because it was a respondent to the Request for Proposals (RFP) that FPL issued in August of 2001, in which FPL solicited alternative proposals to supply its projected generating capacity needs in 2005 and 2006. FPL issued the RFP to comply with Commission Rule 25-22.082 (2), Florida Administrative Code, which requires all electric utilities to issue an RFP before submitting a petition for a Determination of Need to the Commission. South Pond alleges that FPL rejected all proposals submitted in response to its RFP, and ultimately filed a petition to determine the need for its own proposal to build an additional power plant itself in Manatee County. South Pond challenges the validity of FPL's RFP process and alleges that FPL failed to comply with the requirements of Rule 25-22.082. South Pond claims that its substantial interests will be affected by the Commission's decision in this need determination proceeding, and it is entitled to intervene to protect those interests and to challenge FPL's RFP process.

FPL responds that it does not object to South Pond's intervention in this need determination proceeding, but it does dispute South Pond's allegations of the ultimate facts in the case

¹ FPL has filed a companion case to this case; Docket No. 020262-EI, *In Re: Petition for Determination of Need for Proposed Electrical Power Plant in Martin County by Florida Power & Light Company*, filed March 22, 2002. FPL also filed a Motion to Consolidate the two dockets for procedural purposes, which is pending at present. South Pond has filed a Petition to Intervene in that docket as well.

and South Pond's prayer for relief, which FPL asserts is premature, over-broad and inappropriate for resolution in this proceeding.

FPL's objections to South Pond's allegations and request for relief are duly noted. They will be addressed at the appropriate time in this proceeding. For purposes of this Petition to Intervene, it is sufficient that South Pond has demonstrated that its substantial interests may be affected by the Commission's decision, and that those interests are the type of interest the Commission's proceeding was designed to protect. For these reasons, South Pond's Petition to Intervene is granted.

It is therefore

ORDERED by Commissioner J. Terry Deason as the Prehearing Officer that the Petition to Intervene filed by South Pond Energy Park, LLC is granted. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings and other documents which may hereinafter be filed in this proceeding, to:
