

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Joint petition of US LEC of Florida, Inc., Time Warner Telecom of Florida, L.P., and ITC^DeltaCom Communications objecting to and requesting suspension of proposed CCS7 Access Arrangement tariff filed by BellSouth Telecommunications, Inc.

DOCKET NO. 020129-TP  
ORDER NO. PSC-02-1180-CFO-TP  
ISSUED: August 29, 2002

ORDER GRANTING REQUEST FOR CONFIDENTIAL CLASSIFICATION OF  
DOCUMENT NO. 08303-02 (x-ref 07931-02)

On January 18, 2002, BellSouth Telecommunications, Inc. (BST) filed a tariff with this Commission introducing the CCS7 Access Arrangement. This tariff filing also restructures the offering for Commercial Mobile Radio Service (CMRS) providers, and directs them to the equivalent CCS7 Access Arrangement available in the Access Services Tariff. Further, as part of this filing, local switching rates have been reduced to reflect the introduction of charges for intrastate CCS7 usage. The tariff filing went into effect on February 17, 2002.

On February 15, 2002, US LEC of Florida, Inc., Time Warner Telecom of Florida, L.P., and ITC^DeltaCom Communications (Petitioners) filed a Joint Petition objecting to and requesting suspension of the CCS7 Access Arrangement Tariff filed by BST, and requesting that this Commission schedule a formal administrative hearing to address the issues raised in its Petition. On March 22, 2002, BST filed its response to the Petition. This matter was set for an administrative hearing by this Commission by Order No. PSC-02-0739-PCO-TP, issued May 31, 2002.

On August 7, 2002, ITC^DeltaCom, Inc. (ITC^DeltaCom) filed a request for confidential classification. In its request, ITC^DeltaCom seeks confidential classification of certain information included in the filed Rebuttal Testimony of BellSouth witness Thomas S. Randklev. Specifically, ITC^DeltaCom asserts that the information on page 3, lines 16 and 22 of the Rebuttal Testimony refer to a specific dollar amount of loss that would be

suffered by ITC^DeltaCom if it were unable to pass through certain BellSouth charges to its customers. ITC^DeltaCom asserts this dollar amount is confidential business information that could cause competitive harm to ITC^DeltaCom, and is confidential and proprietary under Sections 364.183 and 364.24, Florida Statutes.

Florida law presumes that documents submitted to governmental agencies shall be public records. The only exceptions to this presumption are the specific statutory exemptions provided in the law and exemptions granted by governmental agencies pursuant to the specific terms of a statutory provision. This presumption is based on the concept that government should operate in the "sunshine." Rule 25-22.006(4)(c), Florida Administrative Code, provides that it is the Company's burden to demonstrate that the documents fall into one of the statutory examples set out in Section 364.183, Florida Statutes, or to demonstrate that the information is proprietary confidential information, the disclosure of which will cause the Company or its ratepayers harm.

Section 364.183(3), Florida Statutes, in pertinent part, provides:

The term "proprietary confidential business information" means information, regardless of form or characteristics, which is owned or controlled by the person or company, is intended to be and is treated by the person or company as private in that the disclosure of the information would cause harm to the ratepayers or the person's or company's business operations, and has not been disclosed unless disclosed pursuant to a statutory provision, an order of a court or administrative body, or private agreement that provides that the information will not be released to the public.

Based on the definition of proprietary confidential business information in Section 364.183(3), Florida Statutes, it appears that the material described herein is proprietary business information in accordance with Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code. Disclosure of this information would give its competitors an artificial competitive advantage, allowing them to successfully compete

against ITC^DeltaCom without the usual market trial and error. As such, ITC^DeltaCom's Request for Confidential Classification of Document No. 08303-02 (x-ref 07931-02) is hereby granted.

Based on the foregoing, it is

ORDERED by Braulio L. Baez, as Prehearing Officer, that ITC^DeltaCom, Inc.'s Requests for Confidential Classification of Document No. 08303-02 (x-ref 07931-02) is hereby granted. It is further

It is further

ORDERED that this Order will be the only notification by the Commission to the parties concerning the expiration of the confidentiality time period.

By ORDER of Commissioner Braulio L. Baez, as Prehearing Officer, this 29th day of August, 2002.
