ORDER NO. PSC-02-1340-PAA-TP
ISSUED: October 2, 2002

The following Commissioners participated in the disposition of this matter:

LILA A. JABER, Chairman
J. TERRY DEASON

MICHAEL A. PALECKI
RUDOLPH "RUDY" BRADLEY

NOTICE OF PROPOSED AGENCY ACTION ORDER
GRANTING WAIVER OF RULE 25-4.118, FLORIDA ADMINISTRATIVE CODE

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

On August 15, 2002, this Commission received a petition from MCI WorldCom Communications, Inc. (MCI) (holder of Interexchange Telecommunications Service Certificate No. 1528 and Alternative Access Vendor with Alternative Local Exchange authority Certificate No. 4040) requesting a waiver of the carrier selection requirements in Rule 25-4.118, Florida Administrative Code, for the transfer of customers who received certain local and long distance services from Intermedia Communications, Inc. (Intermedia) (holder of Interexchange Telecommunications Service Certificate No. 1565 and

DOCUMENT NO. 020891-TP

10628 OCT-28

PSC-02-1340-PAA-TP

Alternative Access Vendor with Alternative Local Exchange authority Certificate No. 2939).

Previously the Commission had approved a transfer of control of Intermedia to MCI's parent company, WorldCom, Inc. in Docket No. 001580-TP.

While there are no outstanding Regulatory Assessment Fees (RAFs) owed by the entities mentioned above, MCI, which is under Chapter 11 bankruptcy, does have an outstanding penalty and interest for the late payment of its 1997 RAF. The Commission is vested with jurisdiction in this matter pursuant to Sections 364.335, 364.337, and 364.603, Florida Statutes.

Pursuant to Rule 25-4.118(1), Florida Administrative Code, a customer's carrier cannot be changed without the customer's authorization. Rule 25-4.118(2), Florida Administrative Code, provides that a carrier shall submit a change request only if one of the following has occurred:

- (a) The provider has a letter of agency from the customer requesting the change;
- (b) The provider has received a customer-initiated call for service;
- (c) A third party firm has verified the customer's requested change.

Pursuant to Rule 25-24.490, Florida Administrative Code, Rule 25-4.118, Florida Administrative Code, is incorporated into Chapter 25-24, and applies to IXCs.

Rule 24-24.455(4), Florida Administrative Code, reads as follows:

An interexchange company may petition for a waiver of any provision of this Part. The Commission may grant a waiver to the extent that it determines that it is consistent with the public interest to do so. The commission may grant the petition in whole or part, may limit the waiver to certain geographic areas and/or may impose reasonable alternative regulatory requirements on

the petitioning company. In disposing of a petition, the Commission may consider:

- (a) The factors enumerated in Section 364.337(4), Fla. Statutes;
- (b) The extent to which competitive forces may serve the same function as, or obviate the necessity for, the provision sought to be waived; and
- (c) Alternative regulatory requirements for the company may serve the purpose of this Part.

Furthermore, Section 364.337(2), Florida Statutes, reads in part:

A certificated alternative local exchange telecommunications company may petition the commission for a waiver of some or all of the requirements of this chapter, except ss. 364.16, 364.336, and subsections (1) and (5). The commission may grant such petition if determined to be in the public interest.

We find that in this instance it is in the public interest to waive the carrier selection requirements of Rule 25-4.118, Florida Administrative Code. MCI has attested that it has provided for a seamless transition while ensuring that the affected customers understand available choices with the least amount of disruption to the customers. The customers will receive ample notification of the transfer and should not experience any interruption of service, rate increase, or switching fees.

If prior authorization is required in this event, customers may fail to respond to a request for authorization, neglect to select another carrier, and lose their local and long distance service. Furthermore, granting this waiver will avoid unnecessary slamming complaints during this transition.

Accordingly, the carrier selection requirements in Rule 25-4.118, Florida Administrative Code, be waived in this instance. This docket shall be closed upon issuance of a Consummating Order unless a person whose substantial interests are affected by this Commission's decision files a protest within 21 days of the issuance of the proposed agency action order.
