DOCKET NO. 020507-TL
ORDER NO. PSC-03-0153-CFO-TL
ISSUED: January 29, 2003

ORDER GRANTING BELLSOUTH'S REQUEST FOR SPECIFIED CONFIDENTIAL
CLASSIFICATION FOR DOCUMENT NO. 00078-03
(X-REF. 13683-02)

On June 12, 2002, the Florida Competitive Carriers Association (FCCA) filed a Complaint against BellSouth Telecommunications, Inc. (BellSouth) and a Request for Expedited Relief seeking relief from BellSouth's practice of refusing to provide its FastAccess service to customers who receive voice service from an Alternative Local Exchange Carrier (ALEC). By Order No. PSC-02-0935-PCO-TL, issued July 12, 2002, the request for expedited relief was denied.

On January 3, 2003, BellSouth filed its Request for Specified Confidential Classification for its Responses to FCCA's 3rd Set of Interrogatories, Item 7, Document No. 00078-03 (x-ref. 13683-02). Attachment A, attached hereto and incorporated herein, contains a detailed justification of the confidentiality of the information at issue. BellSouth contends that it filed its request because the information in this discovery contains competitive business information that is considered confidential and proprietary to BellSouth. BellSouth states in its request that it has treated and continues to treat the information for which confidential classification is sought as private. Further, BellSouth asserts that this information has not been generally disclosed.

Florida law presumes that documents submitted to governmental agencies shall be public records. The only exceptions to this

presumption are the specific statutory exemptions provided in the law and exemptions granted by governmental agencies pursuant to the specific terms of a statutory provision. This presumption is based on the concept that government should operate in the "sunshine." Rule 25-22.006(4)(c), Florida Administrative Code, provides that it is the Company's burden to demonstrate that the documents fall into one of the statutory examples set out in Section 364.183, Florida Statutes, or to demonstrate that the information is proprietary confidential information, the disclosure of which will cause the Company or its ratepayers harm.

Section 364.183(3), Florida Statutes, in pertinent part, provides:

The term "proprietary confidential business information" means information, regardless of form or characteristics, which is owned or controlled by the person or company, is intended to be and is treated by the person or company as private in that the disclosure of the information would cause harm to the ratepayers or the person's or company's business operations, and has not been disclosed unless disclosed pursuant to a statutory provision, an order of a court or administrative body, or private agreement that provides that the information will not be released to the public.

Based on the definition of proprietary confidential business information in Section 364.183(3), Florida Statutes, it appears that the material described herein is proprietary business information in accordance with Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code. Disclosure of this information would give its competitors an artificial competitive advantage, allowing them to successfully compete against BellSouth without the usual market trial and error. As such, BellSouth's Request for Specified Confidential Classification of Document No. 00078-03 (x-ref. 13683-02) is hereby granted.

Based on the foregoing, it is

ORDERED by Commissioner Braulio L. Baez, as Prehearing Officer, that BellSouth Telecommunications, Inc.'s Request for Specified Confidential Classification of Document No. 00078-03 (x-ref. 13683-02), as set forth in Attachment A, is hereby granted and incorporated by reference into this Order. It is further

ORDERED that pursuant to Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, the confidentiality granted to the material specified herein shall expire eighteen (18) months from the date of the issuance of this Order, in the absence of a renewed request for confidentiality pursuant to Section 364.183, Florida Statutes. It is further

ORDERED that this Order will be the only notification by the Commission to the parties concerning the expiration of the confidentiality time period.

By ORDER of Commissioner Braulio L. Baez, as Prehearing Officer, this 29th Day of January, 2003.
