Star Phone and Armour E611 have complied with Rule 25-24.815, Florida Administrative Code, regarding the transfer of control and name change of ALEC certificates. We find the transfer of control and name change to be in the public interest and, therefore, approve the transfer of control and name change. ALEC Certificate No. 8140 shall be amended to reflect that Armour E611 is the holder of this certificate.

If this Order becomes final and effective, it shall serve as Armour E611's certificate. Armour E611 should, therefore, retain this Order as proof of certification and as evidence of the name change. We are vested with jurisdiction over this matter pursuant to Sections 364.335 and 364.345, Florida Statutes.

ALEC providers are subject to Chapter 25-24, Florida Administrative Code, Part XV, Rules Governing Telecommunications Service Provided by Alternative Local Exchange Companies. ALEC providers are also required to comply with all applicable provisions of Chapter 364, Florida Statutes, and Chapter 25-4, Florida Administrative Code.

Pursuant to Section 364.337(2), Florida Statutes, basic telecommunications service provided by an ALEC "... must include access to operator services, "911" services, and relay services for the hearing impaired." Further, Section 364.337(2), requires that an ALEC's "911" service "... shall be provided at a level equivalent to that provided by the local exchange telecommunications company serving the same area."

In addition, under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee (RAFs) of \$50 if the certificate was active during any portion of the calendar year. A RAFs Return notice will be mailed to both Star Phone and Armour E611 for payment by January 30th. Neither the transfer of the certificate nor the failure to receive a RAFs Return notice shall relieve Star Phone and Armour E611 from their obligation to pay RAFs the year 2002.

Based on the foregoing, it is
