DOCKET NO. 981834-TP

In re: Petition of ACI Corp. d/b/a Accelerated Connections, Inc. for generic investigation to ensure that BellSouth Telecommunications, Inc., Sprint-Florida, Incorporated, and GTE Florida Incorporated comply with obligation to provide alternative local exchange carriers with flexible, timely, and cost-efficient physical collocation.

DOCKET NO. 990321-TP
ORDER NO. PSC-03-0288-PCO-TP
ISSUED: March 4, 2003

ORDER GRANTING MOTION TO REVISE ORDER ESTABLISHING PROCEDURE

By Proposed Agency Action Order No. PSC-99-1744-PAA-TP, issued September 7, 1999, we adopted a set of procedures and guidelines for collocation, focused largely on those situations in which an incumbent local exchange company (ILEC) believes there is no space for physical collocation. The guidelines addressed: A. initial response times to requests for collocation space; B. application fees; C. central office tours; D. petitions for waiver from the collocation requirements; E. post-tour reports; F. disposition of the petitions for waiver; G. extensions of time; and H. collocation provisioning time frames.

On September 28, 1999, BellSouth filed Protest/Request for Clarification of Proposed Agency Action. That same day, Rhythms filed a Motion to Conform Order to Commission Decision or, in the Alternative, Petition on Proposed Agency Action. Commission staff conducted a conference call on October 6, 1999, with all of the parties to discuss the motions filed by BellSouth and Rhythms, and to formulate additional issues for the generic proceeding to address the protested portions of Order No. PSC-99-1744-PAA-TP. By Order No. PSC-99-2393-FOF-TP, issued December 7, 1999, we approved

proposed stipulations resulting from that call and identified the portions of the protested Order that could go into effect by operation of law.

Thereafter, we conducted an administrative hearing to address collocation issues beyond the issues addressed in the approved collocation guidelines. By Order No. PSC-00-0941-FOF-TP, issued May 11, 2000, we rendered our post-hearing decision on these additional issues. Therein, we addressed the following: 1) ILEC responses to an application for collocation; 2) the applicability of the term "premises"; 3) ILEC obligations regarding "off-premises" collocation; 4) the conversion of virtual to physical collocation; 5) response and implementation intervals for changes to existing space; 6) the division of responsibilities between ILECs and collocators for sharing and subleasing space between collocators and for cross-connects between collocators; 7) the provisioning interval for cageless collocation; 8) the demarcation point between ILEC and ALEC facilities; 9) the parameters for reserving space for future use; 10) whether generic parameters may be established for the use of administrative space; 11) equipment obligations; 12) the timing and detail of price quotes; 13) ALEC participation in price quote development; 14) the use of ILEC-certified contractors by ALECs; 15) the automatic extension of provisioning intervals; 16) allocation of costs between multiple carriers; 17) the provision of information regarding limited space availability; 18) the provision of information regarding post-waiver space availability; 19) forecasting requirements for CO expansions and additions; and 20) the application of the FCC's "first-come, first-served" Rule upon denial of waiver or modifications.

On May 26, 2000, Verizon filed a Petition for Reconsideration. BellSouth and Sprint also filed separate Motions for Reconsideration and Clarification of the Commission's Order. On June 7, 2000, Sprint filed its Response to Verizon and BellSouth's Motions for Reconsideration. BellSouth also filed its Response to Sprint's Motion for Reconsideration and/or Clarification. MCI/WorldCom and Rhythms Links also filed timely Responses to all three Motions for Reconsideration. In addition, that same day FCCA and AT&T filed a Joint Response to the Motions for Reconsideration and a Cross-Motion for Reconsideration. On June 14, 2000, BellSouth filed its Response to FCCA and AT&T's Cross-Motion for

Reconsideration. By Order No. PSC-00-2190-PCO-TP, issued November 17, 2000, the various motions for reconsideration and/or clarification were addressed by the Commission. By that Order, this Docket was left open to address pricing issues for collocation, which is one of the purposes of this proceeding upon which we now commence.

By Order No. PSC-02-1513-PCO-TP, issued November 4, 2002, the procedural schedule and hearing dates were established for this phase of this proceeding in which we will address the remaining technical and pricing issues regarding collocation. On February 7, 2003, the Commission Staff filed a Motion to Revise Order Establishing Procedure.

In its Motion, Staff asks that the procedural schedule be modified to reflect the following:

Rebuttal Testimony and Exhibits -	April 18, 2003
Pricing Issues 9A, 9B, 10 (All Parties)	
Surrebuttal Testimony and Exhibits -	June 18, 2003
Pricing Issues 9A, 9B, 10 (All Parties)	

The Staff's proposed modifications also include the elimination from the current schedule of a separate date, April 4, 2003, by which the ALECs were to file their rebuttal testimony and exhibits.

Staff asserts that allowing all parties to submit surrebuttal testimony will enable the Commission to develop a more complete record in this proceeding. Thus, it asks that the surrebuttal testimony date identified in Order No. PSC-02-1513-PCO-TP be expanded to include Staff and the ALECs. Staff explains that it proposed this change during a conference call with the parties to this proceeding, and no objections were voiced. During that call, staff also proposed that the April 4, 2003, date for ALECs to file their rebuttal testimony be eliminated and that the April 18, 2003, date upon which Staff is currently scheduled to file its rebuttal testimony be expanded to include the ALECs' rebuttal testimony as well. Thus, both Staff and the ALECs would file rebuttal testimony

on the same date. Staff indicates that the parties also did not object to this aspect of their proposal.

No responses in opposition to Staff's Motion were filed.

Upon consideration of the foregoing, Commission Staff's Motion to Revise Order Establishing Procedure is granted. These changes will facilitate development of a full and complete record and will not prejudice any party to this proceeding.

It is therefore

ORDERED by Commissioner J. Terry Deason, as Prehearing Officer, that the Commission Staff's Motion to Revise Order Establishing Procedure is hereby granted as set forth in the body of this Order. It is further

ORDERED that Order No. PSC-02-1513-PCO-TP is reaffirmed in all other respects.

By ORDER of Commissioner J. Terry Deason as Prehearing Officer, this 4th Day of March, 2003.

J. TERRY DEASON
Commissioner and Prehearing Officer

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
