Co., Inc.

DOCKET NO. 030453-WU
ORDER NO. PSC-03-0792-FOF-WU
ISSUED: July 3, 2003

ORDER CORRECTING NAME OF UTILITY AND
CLOSING DOCKET

BY THE COMMISSION:

On May 5, 1991, the Marion County Commission transferred jurisdiction over the water and sewer utilities in Marion County to this Commission. Subsequent to the transfer, an application for a grandfather certificate was filed by Bahia Oaks, Inc., d/b/a County Wide Utility Company (Countywide or utility). However, the application contained several different versions of the utility's name (Countywide Utility Company, County-Wide Utility Company and Bahia Oaks, Inc. d/b/a County Wide Utility Company). Order No. 11868, issued April 21, 1983, in Docket No. 810369-W, granted Certificate No. 390-W to Countywide Utility Company, and held the utility's rates subject to refund. Order No. 12899, issued January 18, 1984, in Docket No. 810369-W, granted Countywide permanent rates and closed the docket.

Since that time, the utility has had an amendment to its service area and several index and pass-through rate adjustments. In all of the proceedings, the utility was referred to as Countywide Utility Company. Recently, it came to our attention that the correct name of the utility is County-Wide Utility Co., Inc. We have verified that the name is registered with the Division of Corporations of the Secretary of State.

Therefore, we find it appropriate to correct our records and Certificate No. 390-W to reflect that the name of the utility is County-Wide Utility Co., Inc. The utility shall return Certificate No. 390-W to this Commission for entry reflecting the correct name within 30 days of the date of this Order. The utility shall also submit a tariff which reflects its correct name.
