

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for expedited
review of growth code denials by
North American Numbering
Administration for Orlando
Exchange (Magnolia) by BellSouth
Telecommunications, Inc.

DOCKET NO. 030563-TL
ORDER NO. PSC-03-0834A-PAA-TL
ISSUED: July 29, 2003

AMENDATORY ORDER

BY THE COMMISSION:

On July 18, 2003, we issued Order No. PSC-03-0834-PAA-TL directing NeuStar to provide BellSouth Telecommunications, Inc. (BellSouth) with a Growth Code for the Magnolia switch (ORLDFLMADS1) in the Orlando rate center. However, the BellSouth request was for additional numbering resources consisting of a 1,000 number block to provide a customer with 900 numbers in the NXX-3 range. All references directing NeuStar to provide BellSouth with a growth code, should be amended to reflect the request for additional numbering resources, consisting of a 1,000 number block in the NXX-3 range. The ordering paragraphs should be amended to reflect these changes.

Therefore, Order No. PSC-03-0834-PAA-TL is amended to reflect the NeuStar provision of additional numbering resources, consisting of a 1,000 number block, to BellSouth.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Order No. PSC-03-0834-PAA-TL is hereby amended to direct NeuStar to provide additional numbering resources consisting of a 1,000 number block in the NXX-3 range to BellSouth Telecommunications, Inc.

ORDERED that Order No. PSC-03-0834-PAA-TL is reaffirmed in all other respects.
