ORDER NO. PSC-03-0919-FOF-WS
ISSUED: August 11, 2003

ORDER APPROVING NAME CHANGE AND CLOSING DOCKET

BY THE COMMISSION:

On May 19, 2003, CM Utility Systems, L.L.C. d/b/a Colonies Water Company (Colonies or utility) filed an application for approval of a name change on Certificates Nos. 481-W and 417-S to CC Utility Systems, L.L.C. d/b/a Coral Cay Water & Sewer Company (Coral Cay). The application was filed pursuant to Section 367.1214, Florida Statutes, and Rule 25-30.039, Florida Administrative Code, which provide for changes in name only, with no change in ownership or control of the utility or its assets.

According to Colonies' application, there is no change in ownership or control of the utility or its assets as a result of the name change. The purpose of the name change is to be consistent with the name change of the Colonies of Margate manufactured home community to Coral Cay Plantation. A copy of the proposed notice to be sent to the customers of the utility informing them of the name change was included with the application. The application also included a copy of the certificate issued by the Florida Department of State showing its acceptance of the new name.

Colonies provided revised water and wastewater tariffs reflecting the new name of the utility. We have verified that there are no substantive changes in the tariff other than the name change.

In view of the foregoing, we find that the utility's request to change its name from Colonies to Coral Cay is in compliance with the provisions of Section 367.1214, Florida Statutes, and Rule 25-30.039, Florida Administrative Code, and it is approved. The utility's proposed notice is also approved. The utility shall send the notice to all of its customers upon issuance of this Order. Colonies has returned Certificates Nos. 481-W and 417-S for entry
