For the reason described above, pursuant to Rule 25-24.820(1)(b) and (c), Florida Administrative Code, we find it appropriate to cancel each entity's respective tariff and remove the company from the IXC register for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, unless each entity pays a \$500 penalty and remits all past due RAFs, along with accrued statutory penalties and interest charges, to the Florida Public Service Commission. Each entity must comply with these requirements within 14 days after the issuance of the Consummating Order, as explained in the Notice of Further Proceedings attached to this Order. The payment should be identified with the docket number and the company's name. The penalties will be remitted to the Department of Financial Services for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.285 (1), Florida Statutes.

When the appropriate fees, statutory penalties, interest charges, and penalties are received, each docket shall be closed. Should any of the entities fail to comply with this Order within 14 days after the issuance of the Consummating Order, the entity shall have its registration canceled, effective on the date of issuance of the Consummating Order; the collection of the past due fees shall be referred to the Department of Financial Services for further collection efforts; and the docket shall be closed. The cancellation of the registration in no way diminishes any entity's obligation to pay applicable delinquent RAFs, and accrued statutory penalties and interest charges. If an entity's registration is cancelled in accordance with this Order, that entity shall
