DOCKET NO. 030905-GU

FPUC seeks authority to issue up to \$25 million of short-term notes to give FPUC financial flexibility with respect to future permanent financing. On June 30, 2003, the short-term notes interest rate was 2.10%. The equity securities would be common stock issued at Fair Market Value less any issuance costs.

It appears that FPUC has complied with the requirements of Section 366.04, Florida Statutes and Chapter 25-8, Florida Administrative Code, in applying for the authority to issue and sell securities. Therefore, FPUC's application is hereby granted.

Our approval of the proposed issuance and/or sale of securities by FPUC does not indicate specific approval of any rates, terms, or conditions associated with the issuance. Such matters are properly reserved for review by the Commission within the context of a rate proceeding. Our approval of the issuance of securities constitutes approval only as to the legality of the issue. In approving the subject financing, we retain the right to disallow any of the costs incurred for ratemaking purposes.

Based upon the foregoing, it is therefore

ORDERED by the Florida Public Service Commission that Florida Public Utilities Company's Application for Authority to Issue and Sell Securities During Calendar Year 2004, pursuant to Section 366.04, Florida Statutes and Chapter 25-8, Florida Administrative Code, is granted. It is further

ORDERED that Florida Public Utilities Company is authorized to issue, sell and/or exchange any combination of the long-term debt, short-term notes and equity securities described above and/or to assume liabilities or obligations as guarantor, endorser or surety in an incremental amount not to exceed \$30 million, excluding retained earnings, during calendar year 2004. It is further

ORDERED that Florida Public Utilities Company is authorized to issue up to \$25 million of short-term notes to give FPUC financial flexibility with respect to future permanent financing. It is further

ORDER NO. PSC-03-1287-FOF-GU

PAGE 3

ORDERED that Florida Public Utilities Company shall file a consummation report in accordance with Rule 25-8.009, Florida Administrative Code, within 90 days after the end of the fiscal year in which it issues any securities authorized by this Order. It is further

ORDERED that this docket shall remain open to monitor the issuance and/or sale of securities until Florida Public Utilities Company submits and we have reviewed the Consummation Report, at which time it shall be closed administratively.

By ORDER of the Florida Public Service Commission this 12th Day of November, 2003.
