

BEFORE THE PUBLIC SERVICE COMMISSION

In re: Implementation of requirements arising from Federal Communications Commission's triennial UNE review: Local Circuit Switching for Mass Market Customers.

DOCKET NO. 030851-TP
ORDER NO. PSC-04-0178A-PCO-TP
ISSUED: February 25, 2004

AMENDATORY ORDER

BY THE COMMISSION:

On February 20, 2004, the prehearing officer issued Order No. PSC-04-0178-PCO-TP on Verizon's Motion to Clarify Scope of Proceeding. However, due to a scrivener's error, the second ordering paragraph at page 5 of the Order contained an erroneous phrase that renders the Order unclear. Therefore, Order No. PSC-04-0178-PCO-TP is amended to delete the phrase "to deploying transport facilities" from the second ordering paragraph. The corrected ordering paragraph will now read:

ORDERED that evidence of alleged economic or operational barriers in the mass market (evidence that is relevant to Issue 5 in this docket) is not relevant to application of the local switching self-provisioning trigger (Issue 4); and it is further

It is

ORDERED by the Florida Public Service Commission that Order No. PSC-04-0178-PCO-TP is hereby amended to reflect the deletion of the phrase "to deploying transport facilities" from the second ordering paragraph of that Order. It is further

ORDERED that Order No. PSC-04-0178-PCO-TP is reaffirmed in all other respects.

By ORDER of the Florida Public Service Commission this 25th day of February, 2004.

BLANCA S. BAYO, Director
Division of the Commission Clerk
and Administrative Services
