NOTICE OF PROPOSED AGENCY ACTION  
ORDER GRANTING CERTIFICATE TO  
PROVIDE COMPETITIVE LOCAL EXCHANGE  
TELECOMMUNICATIONS SERVICES

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Lightyear Network Solutions, LLC (Lightyear) has applied for a certificate to provide Competitive Local Exchange Telecommunications (CLEC) service, pursuant to Section 364.337, Florida Statutes. Upon review of its application, it appears that Lightyear has sufficient technical, financial, and managerial capability to provide such service. Accordingly, we hereby grant to Lightyear Certificate No. 8472 which shall authorize it to provide CLEC services throughout the State of Florida. Due to a bankruptcy court order, the effective date of certification is March 31, 2004.

If this Order becomes final and effective, it shall serve as Lightyear's certificate. Lightyear should, therefore, retain this Order as proof of certification. We are vested with jurisdiction over this matter pursuant to Sections 364.335 and 364.337, Florida Statutes.

CLEC providers are subject to Chapter 25-24, Florida Administrative Code, Part XV, Rules Governing Telecommunications Service Provided by Competitive Local Exchange Companies. CLEC providers are also required to comply with all applicable provisions of Chapter 364, Florida Statutes, and Chapter 25-4, Florida Administrative Code.

Pursuant to Section 364.337(2), Florida Statutes, basic telecommunications service provided by an CLEC "... must include access to operator services, "911" services, and relay services for the hearing impaired." Further, Section 364.337(2), requires that an CLEC's "911" service "... shall be provided at a level equivalent to that provided by the local exchange telecommunications company serving the same area."

In addition, under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee (RAFs) of \$50 if the certificate was active during any portion of the calendar year. A RAFs Return notice will be mailed each December to Lightyear for payment by January 30th. Neither the cancellation of the certificate nor the failure to receive a RAFs Return notice shall relieve Lightyear from its obligation to pay RAFs.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that we hereby grant Certificate No. 8472 to Lightyear Network Solutions, LLC, with the effective date of March 31, 2004, and it shall authorize Lightyear Network Solutions, LLC, to provide Competitive Local Exchange Telecommunications services, subject to the terms and conditions set forth in the body of this Order. It is further

ORDERED that this Order shall serve as Lightyear Network Solutions, LLC's certificate and should be retained by Lightyear Network Solutions, LLC as proof of certification. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Director, Division of the Commission Clerk and Administrative Services, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto.
