ORDER GRANTING MOTION FOR EXTENSION OF TIME

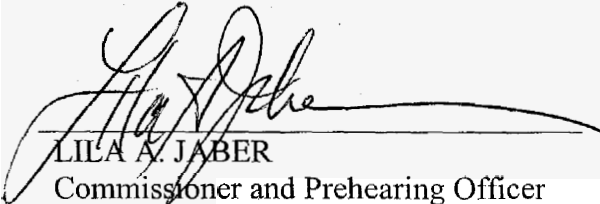

On July 2, 2004, Allied Universal Corporation and Chemical Formulators, Inc. (Allied) filed an amended petition to vacate Commission Order No. PSC-01-1003-AS-EI, which approved a settlement agreement between Allied and Tampa Electric Company (TECO). The named parties to the petition – TECO and Odyssey Manufacturing Company (Odyssey) – both filed motions to dismiss the amended petition on August 20, 2004. Odyssey also filed a motion for attorney's fees and sanctions. On August 23, 2004, Allied filed a motion for extension of time to respond to the two motions to dismiss and the motion for attorney's fees and sanctions by September 10, 2004. Allied represented in its motion that TECO and the Office of Public Counsel, an intervenor in the case, do not object to the extension of time, and Odyssey takes no position on the request.

I will grant Allied's motion for an extension of time to respond to Odyssey's motion for attorneys fees and sanctions until September 10, 2004. Such an extension is reasonable in duration and no other party objects to it. Once again, I urge the parties to engage in informal discussions to resolve this case.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of the Commission Clerk and Administrative Services, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
