FINAL ORDER GRANTING MODIFICATION OF
AUTHORITY TO ISSUE AND SELL SECURITIES

BY THE COMMISSION:

On September 26, 2003, Chesapeake Utilities Corporation (Chesapeake or Company) filed its application for authority to issue common stock, preferred stock, secured and/or unsecured debt, to enter into agreements for interest rate swap products, and to exceed limitation placed on short-term borrowings in 2004. By Commission Order No. PSC-03-1216-FOF-GU, issued October 27, 2003, in this docket, the Commission granted Chesapeake's application and authorized the Company to issue equity and debt securities, to enter into agreements for interest rate swap products, and to exceed the limitation placed on short-term borrowings in 2004.

On October 29, 2004, Chesapeake filed an application for modification of authority to issue shares of common stock for its Dividend Reinvestment and Direct Stock Purchase Plan ("Plan"). Notice that the Commission will take final action on the Company's application was published on November 19, 2004, in the Florida Administrative Weekly, pursuant to Section 366.04(1), Florida Statutes.

In its application, the Company is seeking a modification to its authority to issue common stock during the twelve months ended December 31, 2004. In Order No. PSC-03-1216-FOF-GU, we granted Chesapeake the authority to issue up to 70,052 shares of common stock for its Dividend Reinvestment and Direct Stock Purchase Plan. Chesapeake now seeks authority to increase, by 750,000, the number of shares of common stock it has been authorized to issue for its Plan. On August 5, 2004, Chesapeake's Board of Directors approved 750,000 additional shares of common stock reserved for the Plan. The Plan was developed in response to stockholder interest. Accordingly, the Commission grants Chesapeake's application for

modification of authority to issue common stock during the twelve months ended December 31, 2004, in order to increase the number of shares of common stock authorized and reserved for issuance under its Dividend Reinvestment and Direct Stock Purchase Plan by 750,000.
