ORDER GRANTING REQUEST FOR CONFIDENTIAL CLASSIFICATION  
(DOCUMENT NO. 11630-04)

On November 12, 2004, pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Tampa Electric Company (TECO) filed a request for confidential classification of portions of its response to Interrogatory No. 23 of Staff's Fifth Set of Interrogatories (No. 23) (Document No. 11630-04).

Section 366.093(1), Florida Statutes, provides that "any records received by the commission which are shown and found by the commission to be proprietary confidential business information shall be kept confidential and shall be exempt from [the Public Records Act]." Section 366.093(3), Florida Statutes, defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), Florida Statutes, provides that proprietary confidential business information includes, but is not limited to "[t]rade secrets" (subsection a); "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms" (subsection d); and "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information" (subsection e).

TECO contends that portions of its response to Interrogatory No. 23 falls within these categories and thus constitutes proprietary confidential business information entitled to protection under Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code. TECO states that this information is intended to be and is treated by TECO as private and has not been publicly disclosed.

TECO requests confidential classification for portions of Page 1 of 1 of its response to Interrogatory No. 23. TECO contends that this information discloses the name of the provider as well as contractual pricing and volumes of TECO's coal supply contracts. TECO asserts that the information contains contractual data, the disclosure of which would impair TECO's future efforts to contract for goods and services on favorable terms. According to TECO, the information could be used by coal suppliers to affect the price of coal that TECO will need to purchase in the future since the providers' bids might be influenced if they had knowledge of existing contract rates and volume.

FPSC-COMMISSION CLERK

Upon review, it appears that the above-referenced information contained in TECO's response to Interrogatory No. 23 of Staff's Fifth Set of Interrogatories (No. 23) satisfies the criteria set forth in Section 366.093(3), Florida Statutes, for classification as proprietary confidential business information and, thus, shall be treated as confidential. The information constitutes "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;" and "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information." Thus, this information is granted confidential classification.

Pursuant to Section 366.093(4), Florida Statutes, the information for which confidential classification is granted herein shall remain protected from disclosure for a period of 18 months from the date of issuance of this order. At the conclusion of the 18 month period, the confidential information will no longer be exempt from Section 119.07(1), Florida Statutes, unless TECO or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is

ORDERED by Commissioner Rudolph "Rudy" Bradley, as Prehearing Officer, that Tampa Electric Company's Request for Confidential Classification of Document No. 11630-04 is granted. It is further

ORDERED that the information in Document No. 11630-04 for which confidential classification has been granted shall remain protected from disclosure for a period of 18 months from the date of issuance of this order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Rudolph "Rudy" Bradley, as Prehearing Officer, this 8th day of December, 2004.
